CITY COUNCIL BUDGET WORKSHOP
July 20, 2022

CALL TO ORDER

The City Council met in a workshop session on Wednesday, July 20, 2022 in the Clermont City Council Chambers. Mayor Murry called the workshop to order at 9:00 am with the following Council Members present: Council Members Pines, Entsuah, Bates, and Purvis.

Other City officials present were City Manager Bulthuis, City Attorney Mantzaris, and City Clerk Howe.

OPENING COMMENTS

City Manager Bulthuis stated Council must set a maximum millage rate to advertise. Each department will present their budget, including what has been tentatively cut and explain what that means for the department. The city is starting the 2022/23 Fiscal Year with \$10 million in fund balance. The revenues projected for next year is \$39 million. The expenditures for next year based on department requests are \$47 million, which is \$8 million over what the revenues are projected. There have been cuts made to simulate the millage staying the same and still brings the city to \$3 million over budget. He requested Council direction on the millage rate.

Discussion ensued regarding the current millage rate of 4.2 as well as the surrounding cities millage rate and fire fees. Discussion then lead to the current reserve funds in the fund balance and the recommended range, which is three to four months of operating revenue.

City Manager Bulthuis explained how the millage rate affects the ad valorem tax and discussed the half cent sales tax.

AGENDA ITEMS

1. Proposed Fiscal Year 2022-2023 Budget Discussion

City Council

City Manager Bulthuis presented the budget for City Council. Council discussed the budget for phones and uniforms.

City Clerk

City Clerk Howe presented the budget cuts impacting the department. The items discussed were the budgets for the records consultant, training and travel, software and office supplies. The records consultant budget was reduced. The original request included seven days of onsite technical assistance. Reducing the budget cut the number of onsite days from seven to five and not being able to assist other departments with their records.

The consensus from the Council was to keep the travel and training and office supplies budgets at the original requested amount. Council agreed to \$12,000 for the records consultant and \$12,300 for software upgrades to JustFOIA Pro.

City Manager

City Manager Bulthuis stated that the department has delayed hiring a communications coordinator position for this coming budget year to keep the budget down and have cut the travel budget.

MINUTES
CITY COUNCIL BUDGET WORKSHOP
July 20, 2022

Finance

Finance Director Brosonski presented the budget cut impacting the department. The item discussed was the training budget. The original requested amount was increased for next year due to specialized training for new employees regarding government finance. The budget was cut by \$2,000 from \$16,000 to \$14,000.

There was discussion regarding possibly training in house, bank fees and the annual audit fee. The consensus of the Council was to keep the training budget at the original amount requested.

Legal Services

City Manager Bulthuis stated that the city may have to increase the labor attorney budget.

Development Services

Development Services Director Henschel presented the budget for the department. He reviewed the Professional Services budget lines for the Comprehensive Plan and the consultant for Wellness Way. Mr. Henschel explained the budget for demolitions.

Discussion ensued regarding what uses are able to be funded from the demolition budget. The salary budget was for a new position for the department to account for growth.

Information Technology

IT Director Fountain presented the changes to the department's budget. The salary budget line was for a new administrative position for the department to account for growth.

Council discussed the request for additional staff, training budget and the status of the website update. The consensus was to change the training and education back to the original request and all other lines will stay as proposed for now. Council will revisit the request for additional staff.

General Government

Staff and Council discussed the line items for advertising, security/monitoring service and subscriptions and dues. There were no changes to this budget.

Police Department

Chief Broadway presented the Police Department budget. The topics discussed were future growth and the needs of the department, training, overtime, staffing, events and additional personnel requests.

The workshop recessed at 11:03am; the workshop reconvened at 11:35am.

Discussion ensued regarding growth in the city. Chief Broadway requested to hire ten additional officers within the next fiscal year. Those officers could be staggered with the first five hired in the first six (6) months and the last five hired in the second six (6) months of the year. When a Police Officer is hired, training can take up to eight (8) to nine (9) months before the officer can be on the road. The cost of hiring an additional ten officers would add to the cost of equipment, vehicles and overtime.

Council supports hiring eight additional officers. The budget accounts for three non-sworn personnel. The three positions are for a Quarter Master, Training position and Crime Scene Investigator.

MINUTES
CITY COUNCIL BUDGET WORKSHOP
July 20, 2022

They discussed the current workload and who is handling the work of these positions currently and if any positions can be combined.

The consensus of the Council was to allow a combined Quarter Master/ Records person and not hire a Crime Scene Investigator this fiscal year. Discussion moved on to the other requests within the budget. Council reviewed each budget line that had proposed changes and decided on leaving the budget as proposed or changing to the original amount requested.

The workshop recessed at 12:42pm; the workshop reconvened at 12:54pm.

Fire Department

Chief Ezell presented the Fire Department budget. He provided information in regards to adding positions with the Safer Grant, Fire Station 2 being rebuilt, when the need for Fire Station 5 will be in Wellness Way and the cost of building.

Discussion ensued regarding the additional costs that are accrued when hiring additional firefighter positions such as gear. Hiring an EMS officer, training officer and a receptionist. Discussion moved on to the other requests within the budget. Council reviewed each budget line that had proposed changes and decided on leaving the budget as proposed or changing to the original amount requested. Some of the items discussed were travel, training, equipment, vehicles and buildings.

Council agreed to leave the original amount of positions requested in the budget.

The workshop recessed at 2:34pm; the workshop reconvened at 2:45pm.

Public Services

Public Services Director Brunson along with Assistant Director Maiworm presented the department's budget.

Mr. Maiworm presented the repair and maintenance budget lines that were cut and the impact that would have on the department. The consensus of the Council was to put the funds back in the budget. The budget line for contract services are for temporary help because the department is short staffed. Mr. Brunson listed the positions that are not currently filled.

Discussion moved to the budgets for travel, training and education, land, the marina, piers and parks. Council agreed to leave the proposed amounts in the budget or revert back to the original amount requested by the department.

Mr. Brunson spoke about grants that the department can apply for and what the funds could be put towards. Furthermore, the cost for the City Hall roof can be moved from the general fund to the infrastructure fund.

Economic Development

City Manager Bulthuis stated that the Subscriptions and Dues budget has been cut.

Human Resources

City Manager Bulthuis let Council know that Human Resources had no cuts to their budget.

Procurement Services

Procurement Services Director Suarez spoke about the request for an additional position for the department that was removed from the budget. Council agreed to add the funds back in the budget line for the additional position.

Parks and Recreation

Parks and Recreation Director Forman presented the department's budget. Mr. Forman spoke about the requested positions in the department, community needs for recreation and buying property. Discussion ensued about the Live Well Grant that will be opening up and possibly applying to re-do the pool. They discussed the odds of receiving the grant along with the maintenance and staff once the pool is redone. Mr. Forman stated that the Historic Village has asked for new roofs on the Kern House and Cooper Memorial Library.

In discussing staffing requests, Council agreed to leave in the positions requested. Council discussed the possibility of selling the portable stage and reviewed the budget line items and discussed keeping them as they are or going to the original requested amount. The consensus from Council was to leave the rentals/equipment budget at the reduced amount.

CLOSING COMMENTS

City Manager Bulthuis stated that \$1 million was added to debt service for the Fire Station. Mr. Bulthuis asked Council what millage rate they would like to advertise. Council discussed the millage rates and varied between advertising at 5.9 or 6 mills.

Mr. Bulthuis stated that Council has until the First Budget Public Hearing on September 7 to make any changes. There will be another budget workshop on August 16 to review the other funds in the budget and the summaries of what happened at this meeting. The consensus of the Council was to advertise at 6 mills.

ADJOURN: With no further comments, this workshop adjourned at 5:39 pm.

Parks and Recreation Director Forman stated that staff has been evaluating the boat ramp and watercraft rental businesses for the past year. In an effort to balance the services provided to residents by the rental companies, staff recommended amending sections 70-56 and 70-57, related to watercraft rental businesses. The proposed amendments include not permitting additional rental watercraft businesses until there are only five permits and moving forward that will be the maximum allowed; currently there are 9. All current vendors will have the opportunity to renew their permit up to thirty days after the expiration date. Vendors will be required to email their reservations for the following day and no onsite reservations will be permitted. Each vendor can have a maximum of six jet skis and elevator staking for one hour will be permitted. There will also be a fee increase from \$500 to \$1,500 annually for the permit.

Mayor Murry opened the public hearing.

Dana Burnfin, 135 Blackstone Creek Road, Groveland – expressed concerns regarding amending sections 70-56 and 70-57 as she feels that businesses are not following the current rules and regulations.

Mayor Murry closed the public hearing.

Council discussed the proposed amendments. Rental companies will now be able to keep jet skis in the water for up to an hour between rentals whereas before they would have to take them in and out between rentals. There was discussion about reaching out to the rental companies for their input on the proposed changes.

City Manager Bulthuis stated that staff would gladly meet with the rental companies and look over the ordinance for next year. The purpose of the amendments is to make it easier yet more efficient for the rental companies.

Discussion ensued regarding the number of rental companies that will be allowed to receive permits moving forward and companies having to email their reservations a day before to reduce the number of companies allowing same day rentals.

City Manager Bulthuis asked Council to move this item forward with the understanding that staff will send out surveys to all the rental companies the first of the year and bring the results back to council.

There was discussion of having the permitted watercraft rental businesses listed on the city website. Staff will look to see if it is possible to list the businesses on the website. Council also discussed the number of watercrafts the businesses are allowed and how long the permits are valid.

Council Member Bates moved for approval of Ordinance 2022-030 with the understanding that staff will reevaluate in January and bring it back to Council with any potential recommendations for future changes; Seconded by Council Member Pines.

Council discussed if this Ordinance has a sunset date. City Attorney Mantzaris clarified that it does not sunset, staff will continue to evaluate and report back to Council. The businesses do not have a contract; they have a permit that is renewed annually.

The motion passed by roll call vote 4-1 with Council Member Purvis opposing.

Item No. 12 – Resolution No. 2022-024R, Fee Schedule

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLERMONT, LAKE COUNTY, FLORIDA, RELATING TO FEES CHARGED BY THE CITY; AMENDING THE COMPREHENSIVE FEE SCHEDULE FOR PARKS AND RECREATION; REPEALING ALL PRIOR RESOLUTIONS IN CONFLICT HERewith; PROVIDING FOR PUBLIC ACCESS, THE ADMINISTRATIVE CORRECTION OF SCRIVENERS ERROR, AND PROVIDING FOR AN EFFECTIVE DATE.

City Clerk Howe read the resolution into the record by legal title only.

Parks and Recreation Director Forman stated that staff is proposing amendments to the Comprehensive Fee Schedule for the Parks and Recreation department in order to continue providing competitive and fair pricing based on current market conditions. Some of the fees have been structured to provide clarity for the public and staff.

Mayor Murry opened the public hearing. There were no comments. Mayor Murry closed the public hearing.

Discussion was had regarding rental packages and if there will be a breakdown for the renter to see the fee for each item in a package. Facility Manager, Suzanne O'Shea, explained they have made the fee schedule more concise. Instead of itemizing each fee, the fees are now grouped together for each type of event. The rental application will list out each item within a package and the final bill will reflect the cost of each item.

Council Member Pines moved to approve Resolution No. 2022-014R; Seconded by Council Member Purvis. Passed unanimously 5-0 with all members present voicing aye.

Item No. 13 – Variance Request, Floor & Décor

Planning and Development Services Director Henschel presented the variance request. The applicant, Floor & Décor is requesting sign variances for their development project located in the Plaza Collina Planned Unit Development north of SR 50, east of Plaza Collina Boulevard.

As part of their 80,000 square foot building currently under review, four variances are being requested. One is to allow for a wall sign greater than the maximum allowable, which is 200 square feet. Two is to allow the number of wall signs to exceed the maximum under the code, which is two. Three is to allow the width of a ground sign to exceed the maximum, which is 60 square feet. The fourth is to allow the directional signs to exceed the maximum allowed square footage, which is 4 square feet.

The applicant is requesting 72 square feet per face for their ground sign, which is 12 square feet over the maximum of 60 square feet. They are also requesting a 12-foot wide ground sign, rather than a 10-foot wide ground sign as required by code.

The fourth variance the applicant is requesting is the directional signage for their curbside pickup, which is 5.24 square feet, rather than the maximum allowed of four square feet. These are internal to the site and direct customers to the pickup area.

Section 86-174 of the Land Development Code requires a positive finding in the Review Criteria and Findings in order to grant a variance. Based on the overall square footage of the front façade of Floor & Décor being 11,360 square feet, the proposed 480 square feet of sign area is a reasonable request. The proposed development is not out of character to other properties with the same zoning category. Therefore, staff recommends approval of the sign variances requested.

Logan Opshal, Lowndes Law Firm, was present on behalf of the applicant. He stated that he would be available to answer any questions on this project.

Mayor Murry opened the public hearing. There were no comments. Mayor Murry closed the public hearing.

Discussion ensued on the lighting in the signs and the size of the internal directional signs on the property. Council discussed the setbacks of the signs from the internal Right of Way and the size of the internal signs that were approved for Costco.

Council asked the applicant if they would agree to have their internal signs mimic the size of the internal signs Council approved for Costco. Mr. Opshal agreed.

Council Member Pines moved for approval of the variance request for Floor & Decor with the condition to mimic the size of the internal signs that Council approved for Costco; Seconded by Council Member Bates. Passed unanimously 5-0 with all members present voicing aye.

Item No. 14 – Ordinance No. 2022-033, Introduction Clonts Property

AN ORDINANCE UNDER THE CODE OF ORDINANCES OF THE CITY OF CLERMONT, LAKE COUNTY, FLORIDA AMENDING THE OFFICIAL ZONING MAP OF THE CITY OF CLERMONT REFERRED TO IN CHAPTER 122 OF ORDINANCE NO. 289-C, CODE OF ORDINANCES; REZONING THE REAL PROPERTIES DESCRIBED HEREIN AS SHOWN BELOW; PROVIDING FOR CONFLICT, SEVERABILITY, ADMINISTRATIVE CORRECTION OF SCRIVENERS ERROR, RECORDING, PUBLICATION AND AN EFFECTIVE DATE.

City Clerk Howe read the ordinance into the record by legal title only.

Council Member Bates moved to introduce Ordinance No. 2022-033; Seconded by Council Member Purvis. Passed unanimously 5-0 with all members present voicing aye

City Manager Bulthuis made Council aware of a potential traffic issue on SR 50 due to a development in Groveland on the south end of Max Hooks Road. There is talk about an additional 8,000 cars a day on SR 50. Groveland has a meeting on August 15, 2022 and staff will find out more details.

CITY COUNCIL BUDGET WORKSHOP
August 15, 2022

CALL TO ORDER

The City Council met in a budget workshop on Monday, August 15, 2022 in the Clermont City Council Chambers. Mayor Murry called the workshop to order at 12:30 pm with the following Council Members present: Council Members Pines, Entsuah, Bates, and Purvis.

Other City officials present were City Manager Bulthuis, City Attorney Mantzaris, and City Clerk Howe.

AGENDA ITEMS

1. Proposed Fiscal Year 2022-2023 Budget Discussion

City Manager Bulthuis stated that on September 7, the city will have the First Budget Public Hearing at 6:30pm. At that meeting, the Council has to adopt a preliminary budget and preliminary millage rate. Then, on September 20, that is the Final Budget Public Hearing to adopt the final millage rate and budget. Staff is requesting Council direction.

Mr. Bulthuis reminded Council about the budget. We are a service industry, most of the city's assets are people. He reviewed the General Fund expenditures, union agreements and non-union state mandates for the \$15 per hour minimum wage. There are vacancies due to low starting salaries. The current millage rate is 4.2 mills which has not been adjusted in seven years. Mr. Bulthuis reviewed the millage rate effect on large, medium and small size business. Also, he reviewed the millage rate to residential.

Discussion ensued regarding Fire Stations and Impact Fees. In order to increase the millage rate to 4.6 mills, it requires three votes by the City Council; 5.06 mills requires four votes by the City Council and any millage rate increase above that amount requires a unanimous vote of the City Council. Council shared their concerns regarding different millage rates.

Fire Chief Ezell presented a PowerPoint with details of each Fire Station. Council discussed the needs of each station along with staffing issues facing the department and the millage rate needed in order to maintain staff.

City Manager Bulthuis commented the City applied for a grant for an emergency generator for City Hall. The cost is \$300,000 and the grant is for \$185,000. Mr. Bulthuis asked Council if they would like to accept the grant and will have to spend \$115,000 to cover the expense. Council does not want to move forward with generator at City Hall.

The workshop recessed at 2:14pm; the workshop reconvened at 2:25pm.

Public Works Director Brunson provided history regarding the budget process for his department.

Staffing is a large concern and the city is competing with surrounding cities, some that are already offering minimum wage of \$15 per hour, and the private sector. The City has been utilizing temporary help that can hopefully become full time employees.

CITY COUNCIL BUDGET WORKSHOP
August 15, 2022

Council discussed different strategies to assist with the starting pay and the licenses these positions require.

City Manager Bulthuis informed council that HB 7055 Cybersecurity was passed. Mr. Bulthuis provided an explanation of the bill and suggested the City have a plan to meet the requirements for Cybersecurity.

Police Chief Broadway reviewed areas of his budget that would cause a hardship if it were cut or had funding reduced which included the School Resource Officer program, mobile crisis team and community relations/policing.

Discussion ensued regarding different millage rates and the need to make budget reductions at each millage rate. The discussion continued regarding the Lake County Sheriff's substation in Clermont and the number of officers needed with the growth of the city.

Mayor Murry opened the workshop for public comments.

Otis Taylor, 3686 Caladesi Road, spoke about rising costs everywhere.

Tod Howard, 1986 Brantley Circle, expressed concern over an increase to the millage rate.

Dani Page, Tuscany Ridge, expressed concern over an increase to the millage rate.

Mayor Murry closed the public comments.

City Manager Bulthuis requested a consensus from Council on the millage rate to prepare the budget for the hearings. Finance Director Brosnoki explained they could set the millage at the First Budget Public Hearing on September 7, 2022. At the Final Budget Public Hearing on September 20, 2022, the Council can go lower the millage rate, just not higher than the millage rate set at the First Budget Public Hearing.

Mr. Bulthuis stated the infrastructure fund has to be submitted to Lake County by August 22, 2022. This includes police vehicles, street maintenance, and the roofs for the Arts and Recreation Center and City Hall. The budget can be amended, if needed.

ADJOURN: With no further comments, this workshop adjourned at 3:57 pm.

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide DR2JP13, CCC Data Date 08/01/2022, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (*) or Double Asterisk (**) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2022 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.

VALUATION METHODOLOGY

How was the valuation determined?

CLAIM INSPECTION

THE DOAN GROUP has provided CCC with the zip code where the loss vehicle is garaged, loss vehicle VIN, mileage, equipment, as well as loss vehicle condition, which is used to assist in determining the value of the loss vehicle.

DATABASE REVIEW

CCC maintains an extensive database of vehicles that currently are or recently were available for sale in the U.S. This database includes vehicles that CCC employees have physically inspected, as well as vehicles advertised for sale by dealerships or private parties. All of these sources are updated regularly.

SEARCH FOR COMPARABLES

When a valuation is created the database is searched and comparable vehicles in the area are selected. The zip code where the loss vehicle is garaged determines the starting point for the search. Comparable vehicles are similar to the loss vehicle based on relevant factors.

CALCULATE BASE VEHICLE VALUE

Adjustments to the price of the selected comparable vehicles are made to reflect differences in vehicle attributes, including mileage and options. Dollar adjustments are based upon market research.

Finally, the Base Vehicle Value is the weighted average of the adjusted values of the comparable vehicles based on the following factors:

- Source of the data (such as inspected versus advertised)
- Similarity (such as equipment, mileage, and year)
- Proximity to the loss vehicle's primary garage location
- Recency of information

THE DOAN GROUP uses condition inspection guidelines to determine the condition of key components of the loss vehicle prior to the loss. The guidelines describe physical characteristics for these key components, for the condition selected based upon age. Inspection Notes reflect observations from the appraiser regarding the loss vehicle's condition.

CCC makes dollar adjustments that reflect the impact the reported condition has on the value of the loss vehicle as compared to Average Private condition. These dollar adjustments are based upon interviews with dealerships across the United States.

Comparable vehicles used in the determination of the Base Vehicle Value are not intended to be replacement vehicles but are reflective of the market value, and may no longer be available for sale.

List Price is the sticker price of an inspected dealer vehicle and the advertised price for the advertised vehicle.

Take Price is the amount that the dealership will accept to sell the inspected vehicle, though a lower price may be obtainable through negotiation.

Distance is based upon a straight line between loss and comparable vehicle locations.

Adjusted Comparable Value represents the price of the comparable vehicle with adjustments for options, mileage, condition, and year/model/trim as compared to the loss vehicle.

A condition adjustment is also made to set the comparable vehicle to Average Private condition, which the loss vehicle is also compared to in the Vehicle Condition section.

AUTOCHECK TERMS AND CONDITIONS:

Experian's Reports are compiled from multiple sources. It is not always possible for Experian to obtain complete discrepancy information on all vehicles; therefore, there may be other title brands, odometer readings or discrepancies that apply to a vehicle that are not reflected on that vehicle's Report. Experian searches data from additional sources where possible, but all discrepancies may not be reflected on the Report.

These Reports are based on information supplied to Experian by external sources believed to be reliable, BUT NO RESPONSIBILITY IS ASSUMED BY EXPERIAN OR ITS AGENTS FOR ERRORS, INACCURACIES OR OMISSIONS. THE REPORTS ARE PROVIDED STRICTLY ON AN "AS IS WHERE IS" BASIS, AND EXPERIAN FURTHER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE REGARDING THIS REPORT.

YOU AGREE TO INDEMNIFY EXPERIAN FOR ANY CLAIMS OR LOSSES, INCLUDING COSTS, EXPENSES AND ATTORNEYS FEES, INCURRED BY EXPERIAN ARISING DIRECTLY OR INDIRECTLY FROM YOUR IMPROPER OR UNAUTHORIZED USE OF AUTOCHECK VEHICLE HISTORY REPORTS.

Experian shall not be liable for any delay or failure to provide an accurate report if and to the extent which such delay or failure is caused by events beyond the reasonable control of Experian, including, without limitation, "acts of God", terrorism, or public enemies, labor disputes, equipment malfunctions, material or component shortages, supplier failures, embargoes, rationing, acts of local, state or national governments, or public agencies, utility or communication failures or delays, fire, earthquakes, flood, epidemics, riots and strikes.

These terms and the relationship between you and Experian shall be governed by the laws of the State of Illinois (USA) without regard to its conflict of law provisions. You and Experian agree to submit to the personal and exclusive jurisdiction of the courts located within the county of Cook, Illinois.

SUPPLEMENTAL INFORMATION

NHTSA VEHICLE RECALL

NHTSA Campaign ID : 14V736000

Mfg's Report Date : NOV 17, 2014

Component : POWER TRAIN:AUTOMATIC TRANSMISSION:CONTROL MODULE (TCM, PCM)

Potential Number Of Units Affected : 56479

Summary : Ford Motor Company (Ford) is recalling certain model year 2014-2015 Ford Fusion vehicles manufactured July 27, 2013, to October 31, 2014, 2015 Ford Fusion Hybrid vehicles manufactured February 24, 2014, to October 31, 2014, and 2015 Ford Fusion Energi vehicles manufactured July 14, 2014, to October 31, 2014. In the affected vehicles, the key may be able to be removed even while the transmission is not in Park. Thus, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 114, "Theft Protection and Rollaway Prevention."

Consequence : If the key can be removed despite that the transmission is not in Park, a driver may think the vehicle is safety parked, when it is not, increasing the risk of a vehicle rollaway that could cause the vehicle to strike and injure the driver, other vehicle occupants, or bystanders.

Remedy : Ford will notify owners, and dealers will repair the vehicles, free of charge. The recall began on December 15, 2014. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14C11.

Dates Of Manufacture : JUL 26, 2013 to OCT 30, 2014

Manufacturer Recall No. : 14C11

The National Highway Traffic Safety Administration has issued 12 safety related recall notices that may apply to the above valued vehicle.

NHTSA Campaign ID : 15V250000

Mfg's Report Date : APR 27, 2015

Component : STEERING:ELECTRIC POWER ASSIST SYSTEM

Potential Number Of Units Affected : 487301

Summary : Ford Motor Company (Ford) is recalling certain model year 2013-2015 Ford Fusion and Lincoln MKZ vehicles manufactured February 3, 2012, to March 20, 2015, and 2015 Ford Edge vehicles manufactured February 26, 2015, to February 28, 2015, and originally sold, or currently registered in, Connecticut, Delaware, Illinois, Indiana, Iowa, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, West Virginia, Wisconsin and the District of Columbia. In the affected vehicles, snow or water containing road salt or other contaminants may corrode the electric power steering gear motor attachment bolts.

Consequence : If the bolts corrode, the steering gear motor may detach from the gear housing resulting in a loss of power steering assist. Loss of power steering assist would require a higher steering effort, especially at lower speeds, which may increase the risk of a crash.

SUPPLEMENTAL INFORMATION

Remedy : Ford will notify owners, and dealers will apply sealer and replace the steering gear motor bolts as required. If one or more of the steering gear motor attachment bolts are broken or missing, a new steering gear will be installed in the vehicle. These repairs will be performed free of charge. The recall began on June 24, 2015. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 15S14.

Dates Of Manufacture : FEB 02, 2012 to MAR 19, 2015

Manufacturer Recall No. : 15S14

NHTSA Campaign ID : 16V875000

Mfg's Report Date : DEC 04, 2016

Component : SEAT BELTS:FRONT

Potential Number Of Units Affected : 603392

Summary : Ford Motor Company (Ford) is recalling certain model year 2013-2016 Ford Fusion vehicles manufactured November 2, 2012, to July 31, 2014, and 2013-2015 Lincoln MKZ vehicles manufactured November 14, 2012, to July 31, 2014. In the event of a crash, heat from the deployment of a seat belt pretensioner may cause a front seat belt anchor cable to fail.

Consequence : If the driver or front passenger seatbelt cables cannot properly restrain the front seat occupants, they would be at an increased risk of injury.

Remedy : Ford will notify owners, and dealers will apply a protective coating to the seat belt cable, free of charge. The recall began May 16, 2017. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 16S42.

Dates Of Manufacture : NOV 01, 2012 to JUL 30, 2014

Manufacturer Recall No. : 16S42

NHTSA Campaign ID : 18V471000

Mfg's Report Date : JUL 15, 2018

Component : POWER TRAIN:AUTOMATIC TRANSMISSION:LEVER AND LINKAGE:FLOOR SHIFT

Potential Number Of Units Affected : 504182

Summary : Ford Motor Company (Ford) is recalling certain 2013-2014 Ford Escape, and 2013-2016 Ford Fusion vehicles, equipped with six-speed automatic transmissions. The bushing that attaches the transmission shifter cable to the transmission may degrade over time and cause the bushing to detach from the transmission. The condition could allow the driver to move the shift lever to Park and remove the ignition key, while the transmission may not be in Park, with no warning message or audible chime.

Consequence : If the vehicle is exited without the transmission being in Park and without the parking brake being applied, the vehicle may unexpectedly move, increasing the risk of a crash.

SUPPLEMENTAL INFORMATION

Remedy : Ford will notify owners, and dealers will replace the shifter cable bushing, free of charge. The recall began September 20, 2018. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 18S20. Note: Owners are directed to use the parking brake until the recall remedy repairs can be made.

Dates Of Manufacture : MAY 14, 2013 to AUG 30, 2015

Manufacturer Recall No. : 18S20

NHTSA Campaign ID : 19V362000

Mfg's Report Date : MAY 12, 2019

Potential Number Of Units Affected : 259182

Summary : Ford Motor Company (Ford) is recalling certain 2013-2016 Fusion vehicles equipped with 2.5 liter engines. The bushing that attaches the transmission shifter cable to the transmission may degrade over time and cause the bushing to detach from the transmission. The condition could allow the driver to move the shift lever to Park and remove the ignition key, while the transmission may not be in Park, with no warning message or audible chime.

Remedy : Ford will notify owners, and dealers will replace the shifter cable bushing, free of charge. The recall began September 10, 2019. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 19S16. Note: Owners are directed to use the parking brake until the recall remedy repairs can be made. This recall is an expansion of 18V471.

Dates Of Manufacture : FEB 08, 2012 to APR 03, 2016

Manufacturer Recall No. : 19S16

NHTSA Campaign ID : 19V632000

Mfg's Report Date : AUG 28, 2019

Potential Number Of Units Affected : 116160

Summary : Ford Motor Company (Ford) is recalling certain 2013-2016 Ford Fusion and Lincoln MKZ, 2015-2016 Ford Edge, and 2016 Lincoln MKX vehicles originally sold, or currently registered in Connecticut, Delaware, the District of Columbia, Illinois, Indiana, Iowa, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, West Virginia, and Wisconsin. Road salt or other contaminants may corrode the electric power steering gear motor attachment bolts.

Consequence : If the bolts corrode, the steering gear motor may detach from the gear housing resulting in a loss of power steering assist, requiring a greater steering effort, especially at lower speeds, and increasing the risk of a crash.

Remedy : Ford will notify owners, and dealers will replace the steering gear motor bolts and apply a wax sealer. If any of the steering gear motor attachment bolts are broken or missing, a new steering gear will be installed in the vehicle. These repairs will be performed free of charge. The recall began October 18, 2019. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 19S26.

SUPPLEMENTAL INFORMATION

Dates Of Manufacture : AUG 13, 2012 to JUN 27, 2015

Manufacturer Recall No. : 19S26

NHTSA Campaign ID : 19V590000

Mfg's Report Date : AUG 11, 2019

Potential Number Of Units Affected : 103374

Summary : Ford Motor Company (Ford) is recalling certain 2015 Fusion and Lincoln MKZ vehicles. In the event of a crash, heat from the deployment of a seat belt pretensioner may cause a front seat belt anchor cable to fail.

Consequence : A failed seat belt anchor cable cannot properly restrain the front seat occupants, increasing their risk of injury.

Remedy : Ford will notify owners, and dealers will apply a protective coating to the seat belt cable, free of charge. The recall began September 9, 2019. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 19S25. Note: This recall is an expansion of a recall 16V-875.

Dates Of Manufacture : JUL 31, 2014 to JAN 29, 2015

Manufacturer Recall No. : 19S25

NHTSA Campaign ID : 20V177000

Mfg's Report Date : MAR 22, 2020

Component : LATCHES/LOCKS/LINKAGES:DOORS:LATCH

Potential Number Of Units Affected : 288110

Summary : Ford Motor Company (Ford) is recalling certain 2014-2015 Fiesta, 2014-2016 Fusion and Lincoln MKZ vehicles sold, or ever registered in Alabama, Arkansas, Arizona, California, Florida, Georgia, Hawaii, Louisiana, Mississippi, New Mexico, Nevada, Oklahoma, Oregon, South Carolina, Texas, Utah, Washington, Puerto Rico, American Samoa, Guam, the Northern Mariana Islands (Saipan), and the U.S. Virgin Islands. A component within the door latches may break making the doors difficult to latch and/or leading the driver or a passenger to believe a door is securely closed when, in fact, it is not.

Consequence : A door that is not securely latched could open while the vehicle is in motion, increasing the risk of injury to a vehicle occupant.

Remedy : Ford will notify owners, and Ford or Lincoln dealers will replace the side door latches, free of charge. The recall began September 21, 2020. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 20S15.

Manufacturer Recall No. : 20S15

NHTSA Campaign ID : 18V167000

Mfg's Report Date : MAR 11, 2018

Component : STEERING: STEERING WHEEL/HANDLE BAR

SUPPLEMENTAL INFORMATION

Potential Number Of Units Affected : 1301986

Summary : Ford Motor Company (Ford) is recalling certain 2014-2018 Lincoln MKZ and Ford Fusion vehicles. The steering wheel retaining bolt may loosen allowing the steering wheel to detach while driving.

Consequence : A steering wheel detachment can cause a loss of steering control, increasing the risk of a crash.

Remedy : Ford will notify owners, and dealers will replace the steering wheel bolt with a longer bolt, free of charge. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 18S08.

Dates Of Manufacture : JUL 24, 2013 to MAR 01, 2018

Manufacturer Recall No. : 18S08

NHTSA Campaign ID : 22V011000

Mfg's Report Date : JAN 12, 2022

Component : SERVICE BRAKES, HYDRAULIC:PEDALS AND LINKAGES

Potential Number Of Units Affected : 199085

Summary : Ford Motor Company (Ford) is recalling certain 2014-2015 Fusion, Lincoln MKZ, and 2015 Mustang vehicles originally sold or ever registered, in Texas, Louisiana, Mississippi, Alabama, Florida, Georgia, South Carolina, North Carolina, Virginia and Hawaii. Exposure to certain environmental conditions, such as high temperatures, high humidity, and salt air can cause the brake pedal bumper to corrode and separate from the brake pedal.

Consequence : A separated brake pedal bumper can cause the brake lights to illuminate continuously, causing confusion to other drivers and increasing the risk of a crash. On automatic transmission vehicles, a missing brake pedal bumper can allow the driver to shift the vehicle out of the "PARK" position without depressing the brake, allowing the vehicle to rollaway, increasing the risk of injury.

Remedy : Dealers will replace the brake pedal bumpers and clutch pedal bumpers, free of charge. Interim owner notification letters notifying owners of the safety risk were mailed on March 4, 2022. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 22S02.

Manufacturer Recall No. : 22S02

NHTSA Campaign ID : 22V413000

Mfg's Report Date : JUN 09, 2022

Component : POWER TRAIN:AUTOMATIC TRANSMISSION:GEAR POSITION INDICATION (PRNDL)

Potential Number Of Units Affected : 2925968

Summary : Ford Motor Company (Ford) is recalling certain 2013-2019 Escape, 2013-2018 C-Max, 2013-2016 Fusion, 2013-2021 Transit Connect, and 2015-2018 Edge vehicles. The bushing that attaches the shifter cable to the transmission may degrade or detach.

SUPPLEMENTAL INFORMATION

Consequence : A damaged or missing bushing may prevent the vehicle from shifting into the intended gear, and cause the vehicle to move in an unexpected direction. Additionally, the vehicle may roll after the driver selects the 'Park' position. Either scenario increases the risk of a crash or injury.

Remedy : Dealers will replace the under hood shift bushing and add a protective cap over the shift cable bushing, free of charge. Owner notification letters are expected to be mailed June 27, 2022. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 22S43.

Manufacturer Recall No. : 22S43

NHTSA Campaign ID : 18V592000

Mfg's Report Date : SEP 09, 2018

Component : EQUIPMENT:ELECTRICAL

Potential Number Of Units Affected : 49197

Summary : Ford Motor Company (Ford) is recalling certain 120V Convenience charge cords that were supplied with and sold for use with 2013-2015 Ford C-Max Energi and Fusion Energi vehicles and 2012-2015 Ford Focus Electric vehicles. Cords with part numbers FM58-10B706-AA, FM58-10B706-AB, FM58-10B706-AC, FM58-10B706-AD, FM58-10B706-AE and FM58-10B706-AF were manufactured without thermistors, and during vehicle charging, increased resistance in the house's outlet or wiring can cause the cord to overheat and melt.

Consequence : An overheated cord can increase the risk of a fire.

Remedy : Ford will notify owners, and dealers will replace the current cord with a new 120V convenience cord with a thermistor, free of charge. The recall began January 18, 2019. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 18S24.

Dates Of Manufacture : SEP 03, 2012 to MAR 14, 2015

Dear Grantee,

Congratulations on your FY 2021 Assistance to Firefighters Grant (AFG) award. On behalf of the Federal Emergency Management Agency (FEMA) Grant Programs Directorate and Region IV, we would like to introduce ourselves as your Region IV Fire Program Analyst/Specialists. We will serve as your primary points of contact for the AFG Program. Our goal is to work with you towards the successful completion of your grant award.

As part of the FY21 AFG award rollout, and for your benefit, we are offering Post Award Orientations (PAO) interview/coaching sessions with AFG recipients. This conversation is to confirm that you have an understanding of your roles and responsibilities during the 24-month Period of Performance. We will be hosting Post Award Orientation (PAO) Webinars via Zoom every 3 weeks. Invitation emails will be sent out to grantees. Although they are not mandatory, they are highly recommended for grantees that would like a refresher on proper grants management.

Recipients are strongly encouraged to review their award package in the FEMA GO system by opening the “attachment link” and select “View Award Package.” *Please review the “Negotiation Comments” in the Award Package for any changes from your original application and for information on the FEMA Environmental Planning and Historic Preservation (EHP) requirements. *You must complete the FEMA EHP Screening Form, if applicable, and receive approval from FEMA prior to beginning work on any project with a possible EHP impact. Failure to comply may result in funds being withheld.

Further guidance is provided in the current AFG FY21 Notice of Funding Opportunity (NOFO) which includes an introduction of expectations: <https://www.fema.gov/assistance-firefighters-grants-documents>. The AFG Frequently Asked Questions (FAQs) web link is listed here: <https://www.fema.gov/assistance-firefighters-grant-program-most-frequently-asked-questions>.

Lastly, if you are no longer the primary contact for your organization, please contact the AOR listed in your award in FEMA GO and update the contacts. We look forward to working with you to successfully implement your grant program. If you have any questions or concerns, please feel free to contact us.

Respectfully,
Your Region IV AFG Team

The City has annexed and is in the process of annexing many acres of both developed and undeveloped land due to the financial struggles of the county in which Clermont sits. This annexation has already impacted our services within this past year. With the growth we are experiencing and will continue to experience, our overall budget struggles to keep up. In addition, the State of Florida has a plan in place that reduces property taxes, which in turn, significantly affects the budget of small municipalities. Over the past two years, hundreds of thousands have fled Puerto Rico due to natural disasters including a hurricane and earthquakes. Many of these refugees have settled in Central Florida, particularly in Clermont. Although the City continues to grow, most of the resident population is aging and on a fixed budget. Prior to the pandemic, sixteen percent of the community was below the poverty line and thirteen percent were unemployed. This number has grown exponentially, especially with the tourism and theme park employees who have been laid off. With our close proximity to the area theme parks, the reduction in tourism has greatly impacted our community. Known for our sporting events, most triathlons and other competitions have been cancelled due to COVID. The community counts on these tourism dollars. Many tax incentives have been offered to entice commercial growth, thus the City has not yet seen a significant increase in funds. Any financial gains the City is experiencing through growth is being used to improve infrastructure, including updating the water system to maintain pressure in growing areas, hydrants, street improvements and other projects critical to infrastructure. The

Department's current budget breaks down as follows: 87% Personnel, Wages, etc., 10% equipment and maintenance, and 3% savings for required future capital outlay. We do have a five year capital plan for apparatus replacement, but while monies have been set aside for a replacement engine, the City has placed the purchase on hold due to the impacts of COVID-19. The 2020 budget was significantly reduced last summer due to the COVID and three million was reduced from the 2021 budget. This reduction has cut ALL training funds for the staff as well as repair funds, minor equipment purchases, PPE replacement and more. The Clermont Fire Department is fiscally responsible and works diligently to maintain and plan for future vehicle replacement, station planning and PPE replacement.

In cases of demonstrated economic hardship, and upon the request of the grant applicant, the FEMA Administrator may grant an Economic Hardship Waiver. Is it your organization's intent to apply for an Economic Hardship Waiver?

No

For the purposes of this grant application, the Clermont Fire Department is seeking funding to provide NFPA compliant Ballistic PPE for our on-duty crews to allow for a safer response to all types of hazards, including active threat situations. Currently, no members have such PPE but do have extensive training with local and countywide law enforcement to respond during such an incident. Clermont Fire Department has entered into a countywide agreement and adopted an Active Assailant Standard Operating Guideline that has been approved by all fire and law enforcement agencies. As part of this agreement, only those agencies with proper PPE will be called upon to respond during an active situation. Additionally, due to increased tensions over the past year, we have experienced an increase in threats of violence against our firefighters, including armed assailants in the station parking lot and a violent person attempting to gain access to fire administration during a mental crisis. Our request is for full sets of Ballistic PPE to include a vest, helmet, aid bag and tactical litter.

The City of Clermont, previously known as the "Gem of the Hills", is approximately 22 miles west of Orlando and is conveniently accessible to Orlando and the theme park attractions. Clermont is primarily residential with a growing commercial base which includes major shopping, lodging and restaurants. With direct access to over 20 lakes and even more close by, Clermont is a fishing and water sports paradise. Recently, the City rebranded its image and became known as the "Choice of Champions" because of its

international reputation as the training ground for elite athletes. The combination of pristine lakes, rolling hills and warm climate makes it an ideal location to train for triathlons, track-and-field events, water sports and more. The City of Clermont Fire Department operates four stations to protect 19 square miles of property, including the Florida Turnpike and other critical infrastructure. Additionally, Clermont is home to many assisted living facilities, small care and group homes, schools, daycares and the National Training Center, featuring some of the most prominent Olympic hopefuls. Since 2000, the population of the City of Clermont has grown by over 25,000 people! With a permanent population of just over 40,000, resources are taxed as thousands more travel to Clermont via the Florida Turnpike.

Narrative

Project Description

For the purposes of this grant application, the Clermont Fire Department is requesting \$10,000 to implement an organized fitness program at one of our outlying stations. We currently have a successful wellness program with equipment implemented at our headquarters station. While all members can travel to this location, we have one station that is significantly removed from their coverage area, leaving a gap in service coverage if they travel into town to participate. An integral part of our firefighters' operating safety depends on both their mental and physical fitness. At this time, Clermont Fire Department has a formalized medical program that includes an initial health screening, immunizations and a comprehensive annual physical program that includes cancer screenings. Each member is required to participate in all areas of screenings.

Additionally, the City of Clermont offers a wellness program with incentives for participation. Our department is part of an extensive network for mental health with trained peer team members ready at any time to offer support for any type of crisis. A survey of our members, an analysis of injury data and through coordination with our human resources department, the Clermont Fire Department would like to establish a formal fitness program. Currently, all staff is allowed workout time during each shift. In the past some crews traveled to local gyms, some worked out in the bays and others would run or workout inside the stations. With a hodgepodge of ideas, there have been numerous injuries and it has caused great concern that our members are exposed to carcinogenic and other harmful particulates in the bays. The purpose of our funding request is to create a safe, indoor workout area with specific multi-use pieces as part of a formal fitness program required for all members. This program will have oversight by our certified trainers with the goal to improve the overall wellness of our members, prevent time spent traveling to and from other locations, reduce injuries and have a consistent program that enhances the lives of our members. The equipment requested and the overall wellness screenings offered are consistent with the intent of this funding opportunity and the guidelines set forth by NFPA. The design and selection of equipment has been studied by certified trainers and professionals that work closely with public safety agencies. The equipment is specifically chosen to work areas that have high injury occurrences. The requested equipment includes loose weights, treadmill, multiple various-use pieces, kettlebells and more. These pieces have also been selected to allow for the maximum use of the space and to offer the biggest variety of exercises, allowing for multiple workout programs.

Cost/Benefit

The benefit to our department if this project is funded will ultimately be the opportunity to take a safer and more dependable approach to our emergency response. Firefighter safety will be

increased and the potential for injury will be decreased. Loss of work, loss of staff and loss of money greatly impacts our agency. Eliminating these will be a benefit, not only to our agency, but also to our community served. This high priority request is fiscally responsible and maximizes the funds for our staff of 100. The equipment requests has a life expectancy of 20 years. The costs of gym memberships, overtime, and injury leave is far more. The Clermont Fire Department has worked diligently to transition from a volunteer fire department and secure resources to combat hazards in our growing City. As the City has transitioned from orange groves to a growing population, the department has studied both historical and past events as well as codes to ensure firefighter safety. This includes minimum staffing requirements through the use of a SAFER grant and building related codes to ensure life and property safety. The Clermont Fire Department is fiscally responsible and believes the funding request is consistent with the goals and intent of this program.

Statement of Effect

The funding of this project will have an immediate impact on daily operations as it pertains to the safety and wellness of our personnel. By funding this project, we will be creating a significant cost savings on the costs associated with potential injuries and lost time resulting in overtime costs. The Clermont Fire Department is dedicated to protecting lives and property within the community, including multiple waterways, the Florida Turnpike System and vast wooded areas. With a rapid growing response area, growing residential and commercial base and newly annexed areas, the hazard potential continues to grow. The requested funding will help provide the necessary equipment to assist the firefighters in improving their physical and mental wellbeing and preparing them to respond to the increasing number of emergency calls. Confident, cautious and effective firefighters keep communities safe. In order for our firefighters to engage in firefighting activities they must have the proper physical and mental wellness. Firefighter safety is paramount to the

safety of the community served. Firefighters already take a great risk doing their jobs. Focusing on wellness will increase their protection and help to mitigate the risks associated with emergency response. Additionally, funding this request will impact the daily operations of not only the Clermont Fire Department, but also those surrounding jurisdictions who show interest in joining our program.

Narrative

Project Description

For the purposes of this grant application, the Clermont Fire Department is seeking funding to provide NFPA compliant Ballistic PPE for our on-duty crews to allow for a safer response to all types of hazards, including active threat situations. Currently, no members have such PPE but do have extensive training with local and countywide law enforcement to respond during such an incident. Clermont Fire Department has entered into a countywide agreement and adopted an Active Assailant Standard Operating Guideline that has been approved by all fire and law enforcement agencies. As part of this agreement, only those agencies with proper PPE will be called upon to respond during an active situation.

Additionally, due to increased tensions over the past year, we have experienced an increase in threats of violence against our firefighters, including armed assailants in the station parking lot and a violent person attempting to gain access to fire administration during a mental crisis. Our request is for \$29,540 for fourteen full sets of Ballistic PPE to include a vest, helmet, aid bag and tactical litter. While we do have more riding positions than requested and typically staff 25 per day on our first due apparatus, our policy calls for a specific number to respond to the hot zone at any given time. Over time we are hoping to add the additional riding positions and fire prevention staff to those who have this PPE, but feel that fourteen sets meets the training and response guidelines we have set forth for our members.

Cost/Benefit

The benefit to our department if this project is funded will ultimately be the opportunity to take a safer and more dependable approach to our emergency response. Firefighter safety will be increased and there will be a better tactical approach to how the Clermont Fire Department approaches an incident where the use of ballistic protection is required. If funded, this project will allow our firefighters to safely respond to critical incidents without concern for bodily harm particularly through shooting and/or stabbing threats. Time will be better spent facing emergencies and not waiting for

alternate resources in emergent situations where every second counts. This will allow a more effective response and will not leave the community unprotected with units traveling from outside of the city to help. This project is reasonably priced and utilizes some existing EMS equipment to reduce setup costs and new items are priced with government contract pricing to reduce costs. The Clermont Fire Department has worked diligently to transition from a volunteer fire department and secure resources to combat hazards in our growing City. As the City has transitioned from orange groves to a growing population, the department has studied both historical and past events as well as codes to ensure firefighter safety. This includes minimum staffing requirements through the use of a SAFER grant and building related codes to ensure life and property safety. The Clermont Fire Department is fiscally responsible and believes the funding request is consistent with the goals and intent of this program. Funding this high priority project will prevent taking monies from other critical areas such as bunker gear and SCBA replacement (all areas of high priority for this funding opportunity).

Statement of Effect

The Clermont Fire Department is dedicated to protecting lives and property within the community, including multiple waterways, the Florida Turnpike System and vast wooded areas. With a rapid growing response area, growing residential and commercial base and newly annexed areas, the hazard potential continues to grow. The requested funding will help provide the necessary equipment to assist the firefighters in safely responding to the increasing number of emergency calls. Confident, cautious and effective firefighters keep communities safe. In order for our firefighters to engage in all types of response activities they must have the proper equipment and that equipment must be able to perform the task at hand. Firefighter safety is paramount to the safety of the community served. Firefighters already take a great risk doing their jobs. Having reliable equipment will increase their protection and help to mitigate the risks

associated with emergency response. The funding of this project will have an immediate impact by offering a guarantee that each firefighter has additional protection when responding to unsecure areas where they are an active threat of violence. By funding this project, we will be creating a significant impact to the community, but also an impact on the costs associated with potential injuries. Additionally, funding this request will impact the daily operations of not only the Clermont Fire Department, but also those surrounding jurisdictions served through our Automatic and Mutual Aid agreements who have trained together in active threat response and share our same incident management plan.

SF-424B: Assurances - Non-Construction Programs

OMB Number: 4040-0007

Expiration Date: 02/28/2022

Certain of these assurances may not be applicable to your project or program. If you have any questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee- 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in

whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

Agenda Item Name		
Proposal Award		
Requested Action		
Requesting approval of term contract between the City of Clermont and American Janitorial, Inc. to provide janitorial services to City Hall, Clermont City Center, and the Public Works building.		
Staff Report		
The evaluation committee recommends approval of the above action. The Procurement Services Department issued a Request for Proposal (RFP) number 22-028 on June 14, 2022, to obtain the services of a qualified company to provide janitorial services to City Hall, Clermont City Center, and the Public Works building. The RFP was fully competed, advertised, and complies with the City of Clermont Procurement Services Policy. There were eleven (11) responses to the RFP. An evaluation committee composed of five (5) City staff members (four voting members and one non-voting member) reviewed, scored, and ranked the proposals. American Janitorial, Inc. was the top-ranked company selected for their experience. American Janitorial, Inc. is the current contract holder for janitorial services at these locations and their new contract price is \$3,336 less than the current contract. The level of service chosen by the Evaluation Committee was the second option, which excluded the cleaning of office areas. This is the same level of service as in the current contract. The award recommendation is being made to the most qualified respondent, American Janitorial, Inc. The award includes an initial three-year agreement with an additional three one-year renewals at the option of the city.

MEETING SUMMARY

The Evaluation Committee met on August 23, 2022 at 2:30 pm to review the overall scoring results of the proposals. The scoring of the proposals was done individually by each evaluator, electronically through OpenGov. At the time of the meeting, the Procurement Services Director provided the score summary to the committee and proceeded to review the scores. The Evaluation Committee agreed on the score summary and opted to rank the proposals in the same order. The Evaluation Committee chose American Janitorial, Inc. to enter into a contract for cleaning services excluding the office areas.

Agenda Item Name	
Piggyback City of Miami Beach Contract and Budget Amendment	
Requested Action	
Recommend to approve piggybacking contract number R2019-30738 between City of Miami Beach and Vetted Security Solutions, LLC. to provide license plate recognition system installation and a budget amendment from police impact fund for this purchase for the City of Clermont.	
Staff Report	
The Procurement Services Department and the Police Department recommend approval of the above action. The Procurement Services Department sought a contract from the City of Miami Beach number R2019-30738, to obtain the services of license plate recognition system installation and purchase. In accordance with the direction of City Council, the Procurement Services Department issued a Request for Interest (RFI) number 2207-001 to notify local vendors of the City's intent to utilize other governmental agency contracts. The RFI was posted on the City's website for seven (7) business days. At the completion of the RFI, the Procurement Services Department received no interest. The City of Miami Beach contract was obtained through a fully competitive solicitation and complies with the City of Clermont Procurement Services Policy. The award includes an initial three (3) year term agreement with two (2) one-year renewals at the option of the city. Based on this, staff recommends that Council approve to piggyback the City of Miami Beach contract number R2019-30738. This contract will allow for the installation of 23 fixed LPR cameras at seven locations for the Clermont Police Department. The cost of obtaining the equipment is \$272,517.94 Initially, this purchase was thought to be a single/sole source since the company had provided a sole source letter outlining the reasons why their product could only be obtained from one source. The Procurement Services Department issued a Request for Information (RFI) to verify this claim and received a response from another company disagreeing with the single/sole source determination. Through further research, a competitively awarded contract between the City of Miami Beach and Vetted Security Solutions was acquired with better pricing. The original quote under the sole source status was \$281,211.76 and the revised quote under the Miami Beach contract was \$272,517.94, a difference of \$8,693.82 for the same equipment. The use of piggyback contracts is allowed under Purchasing Policy Section E.9 and is a procurement best practice that takes advantage of competitive pricing from a contract formerly bid by another government agency. The Procurement Services Department has determined that the use of piggyback contracts is advantageous and in the best interest of the City to reduce administrative time and expense while providing favorable pricing. Approval of this contract does not commit the City to purchases or require that the contract must be utilized. Purchases associated with piggyback contracts are budgeted by each department. The estimated annual usage does not represent the budgeted amount by a department. This was not included in the current budget therefore a budget amendment to the police impact fund in the amount of \$272,517.94 will be needed.

Fiscal Impact Summary		
The fiscal impact of \$272,517.94 will require a budget amendment from the police impact fund. This will be formalized in a future budget amendment resolution. Department Account Code: 15521-66401

**PROFESSIONAL SERVICES AGREEMENT
BETWEEN
THE CITY OF MIAMI BEACH
AND
VETTED SECURITY SOLUTIONS, LLC
FOR
LICENSE PLATE RECOGNITION SYSTEM INSTALLATION AND PURCHASE,
PURSUANT TO RESOLUTION 2019-30738**

This Professional Services Agreement (Agreement) is entered into this 27~~22~~ day of August, 2019, between the **CITY OF MIAMI BEACH, FLORIDA**, a municipal corporation organized and existing under the laws of the State of Florida, having its principal offices at 1700 Convention Center Drive, Miami Beach, Florida, 33139 (the "City"), and **VETTED SECURITY SOLUTIONS, LLC**, a Florida limited liability company, whose local address is 4185 35th St. N. St. Petersburg, FL 33714 ("Contractor").

SECTION 1
DEFINITIONS

Agreement: This Agreement between the City and Contractor, including any exhibits and amendments thereto.

City Manager: The chief administrative officer of the City.

City Manager's Designee: The City staff member who is designated by the City Manager to administer this Agreement on behalf of the City. The City Manager's designee shall be the Miami Beach Police Department Chief of Police.

Contractor: For the purposes of this Agreement, Contractor shall be deemed to be an independent contractor, and not an agent or employee of the City.

General Conditions For Construction Contracts: The City's terms and conditions that shall be applicable to any construction related work. The General Conditions for Construction Contracts is located at <https://www.miamibeachfl.gov/wp-content/uploads/2019/06/General-Conditions-for-Construction-Contracts.pdf>.

Services: All services, work and actions by the Contractor performed or undertaken pursuant to the Agreement.

Fee: Amount paid to the Contractor as compensation for Services.

Proposal Documents: Proposal Documents shall mean the Contractor's proposal ("Proposal"), all of which are hereby incorporated and made a part hereof; provided, however, that in the event of an express conflict between the Proposal

Documents and this Agreement, the following order of precedent shall prevail: this Agreement; and the Proposal.

Risk Manager: The Risk Manager of the City, with offices at 1700 Convention Center Drive, Third Floor, Miami Beach, Florida 33139; telephone number (305) 673-7000, Ext. 6435; and fax number (305) 673-7023.

SECTION 2

SCOPE OF SERVICES

2.1 In consideration of the Fee to be paid to Contractor by the City, Contractor shall provide the work and services described in Exhibit "A" hereto (the "Services"), services and incidentals necessary to perform all of the Work described in the Contract Documents and any Contractor Service Order ("Task Order" or "Contractor Service Order"), attached hereto as Exhibit D, issued to Contractor for any Project hereunder, and shall perform all Work in accordance with the requirements of the Contract Documents. A City issued Purchase Order for each Task Order is required prior to the commencement of any Work.

Contractor shall commence the Work upon written notice to proceed in the form of a Purchase Order issued by the City, and a Contractor Service Order signed by either the City Manager or the Department Director ordering the Work, specifying the specific tasks to be performed by the Contractor for any Work under this Agreement. **A separate Contractor Service Order and Purchase Order shall be required prior to Contractor's commencement of any Work.** Contractor shall commence scheduling activities, permit applications and other preconstruction work upon receipt of a Purchase Order, which date shall establish the Project Initiation Date. The Purchase Order will not be issued until Contractor's submission to City of all required documents (including but limited to: Payment and Performance Bonds, and Insurance Certificate) and after execution of the Contract by both parties. **Contractor shall have no entitlement to compensation for any Work under this Agreement unless such Work is authorized, at the City's sole discretion, by a Contractor Service Order and a Purchase Order.**

0.1.1 The receipt of all necessary permits by Contractor and acceptance of the full progress schedule in accordance with technical specifications section, submittal schedule and schedule of values is a condition precedent to the issuance of a Purchase Order to mobilize on any Project site and commence with physical construction of the Work. Contractor shall obtain and pay the cost of all permits, fees, tie-in or connection charges associated with the project. No reimbursements by the City to the Contractor will be made for the cost of permits or fees paid by the Contractor.

2.2 Time is of the essence throughout this Contract. Unless otherwise specified in a Contractor Service Order, any project awarded to the Contractor pursuant to this Agreement shall be substantially completed within **thirty (30) calendar days** from the issuance of the City-approved Contractor Service Order or accompanying Purchase Order (whichever is later), or as otherwise specified in the Contractor Service Order, and completed and ready for final payment in accordance with Article 4 within **thirty (30) calendar days** from the date determined by Consultant or the City as the date of Substantial Completion.

2.3 Unless otherwise specified in a Contractor Service Order for any particular Project, upon failure of Contractor to substantially complete the Work within the time specified for Substantial

Completion in any Contractor Service Order, plus any approved time extensions, Contractor shall pay to City the sum of **one hundred dollars (\$100.00)** for each calendar day of delay in achieving Substantial Completion. Contractor acknowledges and agrees that the foregoing amounts are not penalties but are liquidated damages to City for its inability to obtain full beneficial occupancy and/or use of the Project. Unless otherwise specified in a Contractor Service Order, liquidated damages are hereby fixed and agreed upon between the parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by City as a consequence of such delay, and both parties desiring to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of Contractor to complete the Contract on time.

2.4 City is authorized to deduct liquidated damages from monies due to Contractor for the Work under this Contract or as much thereof as City may, in its sole discretion, deem just and reasonable.

2.5 Contractor shall be responsible for reimbursing City, in addition to liquidated damages, for all costs incurred by the City or its Consultant in administering the construction of the Project beyond the completion date specified above, plus approved time extensions.

2.6 All Services provided by the Contractor shall be performed in accordance with the terms and conditions set forth in Exhibit "A" and to the reasonable satisfaction of the City Manager. If there are any questions regarding the Services to be performed, Contractor should contact:

MIAMI BEACH POLICE DEPARTMENT
Attn: Roland Aragunde, Detective
Technical Operations Unit
1100 Washington Ave, Miami Beach, FL 33139
Tel: 305-673-7776, ext. 3749
Email: RolandAragunde@miamibeachfl.gov

2.7 Contractor shall only utilize approved subcontractors to perform any portion of the Work under this Agreement. A list of the approved subcontractors is attached hereto as Exhibit C.

SECTION 3

TERM

The term of this Agreement ("Term") shall commence upon execution of this Agreement by all parties hereto, and shall have an initial term of **three (3) years**, with **two (2), one (1) year** renewal options, to be exercised at the City Manager's sole option and discretion, by providing Contractor with written notice of same no less than thirty (30) days prior to the expiration of the initial term.

Notwithstanding the Term provided herein, Contractor shall adhere to any specific timelines, schedules, dates, and/or performance milestones for completion and delivery of the Services, as same is/are set forth in the timeline and/or schedule referenced in Exhibit A hereto.

SECTION 4

FEE

4.1 In consideration of the Services to be provided, Contractor shall be compensated based on the rates established in Exhibit B, Miami Beach Price List, and attached hereto.

4.1.1 CITY and CONTRACTOR agree to the following payment schedule:

- a. CITY shall pay CONTRACTOR twenty percent (20%) of the total Task Order amount upon issuance of the corresponding Purchase Order for that Task Order.
- b. CITY shall pay CONTRACTOR sixty percent (60%) of the total Task Order amount upon completion of work and passing of inspection(s), as applicable.
- c. Upon successful completion of a thirty (30) day test period, the CITY shall remit the remaining twenty percent (20%) of the total Task Order amount as final payment.

4.2 INVOICING

Unless otherwise stated herein, upon receipt of an acceptable and approved invoice, payment(s) shall be made within forty-five (45) days for that portion (or those portions) of the Services satisfactorily rendered (and referenced in the particular invoice).

Invoices shall include a detailed description of the Services (or portions thereof) provided, and shall be submitted to the City at the following address:

**Accounts Payable Division

SECTION 5 TERMINATION

5.1 TERMINATION FOR CAUSE

If the Contractor shall fail to fulfill in a timely manner, or otherwise violates, any of the covenants, agreements, Task Orders, Purchase Orders or stipulations material to this Agreement, the City, through its City Manager, shall thereupon have the right to terminate this Agreement for cause. Prior to exercising its option to terminate for cause, the City shall notify the Contractor of its violation of the particular term(s) of this Agreement, and shall grant Contractor ten (10) days to cure such default. If such default remains uncured after ten (10) days, the City may terminate this Agreement without further notice to Contractor. Upon termination, the City shall be fully discharged from any and all liabilities, duties, and terms arising out of, or by virtue of, this Agreement.

Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City by any breach of the Agreement by the Contractor. The City, at its sole option and discretion, shall be entitled to bring any and all legal/equitable actions that it deems to be in its best interest in order to enforce the City's rights and remedies against Contractor. The City shall be entitled to recover all costs of such actions, including reasonable attorneys' fees.

5.2 TERMINATION FOR CONVENIENCE OF THE CITY

THE CITY MAY ALSO, THROUGH ITS CITY MANAGER, AND FOR ITS CONVENIENCE AND WITHOUT CAUSE, TERMINATE THE AGREEMENT AT ANY TIME DURING THE TERM BY GIVING WRITTEN NOTICE TO CONTRACTOR OF SUCH TERMINATION; WHICH SHALL BECOME EFFECTIVE WITHIN THIRTY (30) DAYS FOLLOWING RECEIPT BY THE CONTRACTOR OF SUCH NOTICE. ADDITIONALLY, IN THE EVENT OF A PUBLIC HEALTH, WELFARE OR SAFETY CONCERN, AS DETERMINED BY THE CITY MANAGER, IN THE CITY MANAGER'S SOLE DISCRETION, THE CITY MANAGER, PURSUANT TO A VERBAL OR WRITTEN NOTIFICATION TO CONTRACTOR, MAY IMMEDIATELY SUSPEND THE SERVICES UNDER THIS AGREEMENT FOR A TIME CERTAIN, OR IN THE ALTERNATIVE, TERMINATE THIS AGREEMENT ON A GIVEN DATE. IF THE AGREEMENT IS TERMINATED FOR CONVENIENCE BY THE CITY, CONTRACTOR SHALL BE PAID FOR ANY SERVICES SATISFACTORILY PERFORMED UP TO THE DATE OF TERMINATION; FOLLOWING WHICH THE CITY SHALL BE DISCHARGED FROM ANY AND ALL LIABILITIES, DUTIES, AND TERMS ARISING OUT OF, OR BY VIRTUE OF, THIS AGREEMENT.

5.3 TERMINATION FOR INSOLVENCY

The City also reserves the right to terminate the Agreement in the event the Contractor is placed either in voluntary or involuntary bankruptcy or makes an assignment for the benefit of creditors. In such event, the right and obligations for the parties shall be the same as provided for in Section 5.2.

SECTION 6 INDEMNIFICATION AND INSURANCE REQUIREMENTS

6.1 INDEMNIFICATION

Contractor agrees to indemnify and hold harmless the City of Miami Beach and its officers, employees, agents, and contractors, from and against any and all actions (whether at law or in equity), claims, liabilities, losses, and expenses, including, but not limited to, attorneys' fees and costs, for personal, economic or bodily injury, wrongful death, loss of or damage to property, which may arise or be alleged to have arisen from the negligent acts, errors, omissions or other wrongful conduct of the Contractor, its officers, employees, agents, contractors, or any other person or entity acting under Contractor's control or supervision, in connection with, related to, or as a result of the Contractor's performance of the Services pursuant to this Agreement. To that extent, the Contractor shall pay all such claims and losses and shall pay all such costs and judgments which may issue from any lawsuit arising from such claims and losses, and shall pay all costs and attorneys' fees expended by the City in the defense of such claims and losses,

including appeals. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the Contractor's responsibility to indemnify, keep and save harmless and defend the City or its officers, employees, agents and instrumentalities as herein provided.

The parties agree that one percent (1%) of the total compensation to Contractor for performance of the Services under this Agreement is the specific consideration from the City to the Contractor for the Contractor's indemnity agreement. The provisions of this Section 6.1 and of this indemnification shall survive termination or expiration of this Agreement.

6.2 INSURANCE REQUIREMENTS

The Contractor shall maintain and carry in full force during the Term, the following insurance:

1. Contractor General Liability, in the amount of \$1,000,000 each occurrence, \$2,000,000 aggregate; and
2. Automobile Liability - \$1,000,000 each occurrence – owned/non-owned/hired automobiles included; and
3. Workers Compensation & Employers Liability, as required pursuant to Florida Statutes; and
4. Installation Floater.

The insurance must be furnished by insurance companies authorized to do business in the State of Florida. All insurance policies must be issued by companies rated no less than "B+" as to management and not less than "Class VI" as to strength by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent.

All of Contractor's certificates shall contain endorsements providing that written notice shall be given to the City at least thirty (30) days prior to termination, cancellation or reduction in coverage in the policy. The insurance certificates for General Liability shall include the City as an additional insured and shall contain a waiver of subrogation endorsement.

Original certificates of insurance must be submitted to the City's Risk Manager for approval (prior to any work and/or services commencing) and will be kept on file in the Office of the Risk Manager. The City shall have the right to obtain from the Contractor specimen copies of the insurance policies in the event that submitted certificates of insurance are inadequate to ascertain compliance with required coverage.

The Contractor is also solely responsible for obtaining and submitting all insurance certificates for any sub-Contractors.

Compliance with the foregoing requirements shall not relieve the Contractor of the liabilities and obligations under this Section or under any other portion of this Agreement.

The Contractor shall not commence any work and or services pursuant to this Agreement until all insurance required under this Section has been obtained and such insurance has been approved by the City's Risk Manager.

SECTION 7
LITIGATION JURISDICTION/VENUE/JURY TRIAL WAIVER

This Agreement shall be construed in accordance with the laws of the State of Florida. This Agreement shall be enforceable in Miami-Dade County, Florida, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for the enforcement of same shall lie in Miami-Dade County, Florida.

By entering into this Agreement, Contractor and the City expressly waive any rights either party may have to a trial by jury of any civil litigation related to or arising out of this Agreement.

SECTION 8
LIMITATION OF CITY'S LIABILITY

The City desires to enter into this Agreement only if in so doing the City can place a limit on the City's liability for any cause of action, for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of \$10,000. Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract to be limited to a maximum amount of \$10,000.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to the Contractor for damages in an amount in excess of \$10,000 for any action or claim for breach of contract arising out of the performance or non-performance of any obligations imposed upon the City by this Agreement.

Nothing contained in this section or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon the City's liability, as set forth in Section 768.28, Florida Statutes.

SECTION 9
**DUTY OF CARE/COMPLIANCE WITH APPLICABLE LAWS/PATENT RIGHTS; COPYRIGHT;
AND CONFIDENTIAL FINDINGS**

9.1 DUTY OF CARE

With respect to the performance of the work and/or service contemplated herein, Contractor shall exercise that degree of skill, care, efficiency and diligence normally exercised by reasonable persons and/or recognized professionals with respect to the performance of comparable work and/or services.

9.2 COMPLIANCE WITH APPLICABLE LAWS

In its performance of the work and/or services, Contractor shall comply with all applicable laws, ordinances, and regulations of the City, Miami-Dade County, the State of Florida, and the federal government, as applicable.

9.3 PATENT RIGHTS; COPYRIGHT; CONFIDENTIAL FINDINGS

Any work product arising out of this Agreement, as well as all information specifications, processes, data and findings, are intended to be the property of the City and shall not otherwise be made public and/or disseminated by Contractor, without the prior written consent of the City Manager, excepting any information, records etc. which are required to be disclosed pursuant to Court Order and/or Florida Public Records Law.

All reports, documents, articles, devices, and/or work produced in whole or in part under this Agreement are intended to be the sole and exclusive property of the City, and shall not be subject to any application for copyright or patent by or on behalf of the Contractor or its employees or sub-Contractors, without the prior written consent of the City Manager.

SECTION 10 **GENERAL PROVISIONS**

10.1 AUDIT AND INSPECTIONS

Upon reasonable verbal or written notice to Contractor, and at any time during normal business hours (i.e. 9AM – 5PM, Monday through Fridays, excluding nationally recognized holidays), and as often as the City Manager may, in his/her reasonable discretion and judgment, deem necessary, there shall be made available to the City Manager, and/or such representatives as the City Manager may deem to act on the City's behalf, to audit, examine, and/ or inspect, any and all other documents and/or records relating to all matters covered by this Agreement. Contractor shall maintain any and all such records at its place of business at the address set forth in the "Notices" section of this Agreement.

10.2 ASSIGNMENT, TRANSFER OR SUBCONSULTING

Contractor shall not subcontract, assign, or transfer all or any portion of any work and/or service under this Agreement without the prior written consent of the City Manager, which consent, if given at all, shall be in the Manager's sole judgment and discretion. Neither this Agreement, nor any term or provision hereof, or right hereunder, shall be assignable unless as approved pursuant to this Section, and any attempt to make such assignment (unless approved) shall be void.

10.3 PUBLIC ENTITY CRIMES

Prior to commencement of the Services, the Contractor shall file a State of Florida Form PUR 7068, Sworn Statement under Section 287.133(3)(a) Florida Statute on Public Entity Crimes with the City's Procurement Division.

10.4 NO DISCRIMINATION

In connection with the performance of the Services, the Contractor shall not exclude from participation in, deny the benefits of, or subject to discrimination anyone on the grounds of race, color, national origin, sex, age, disability, religion, income or family status.

Additionally, Contractor shall comply fully with the City of Miami Beach Human Rights Ordinance, codified in Chapter 62 of the City Code, as may be amended from time to time, prohibiting discrimination in employment, housing, public accommodations, and public

services on account of actual or perceived race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, marital and familial status, age, disability, ancestry, height, weight, domestic partner status, labor organization membership, familial situation, or political affiliation.

10.5 CONFLICT OF INTEREST

Contractor herein agrees to adhere to and be governed by all applicable Miami-Dade County Conflict of Interest Ordinances and Ethics provisions, as set forth in the Miami-Dade County Code, as may be amended from time to time; and by the City of Miami Beach Charter and Code, as may be amended from time to time; both of which are incorporated by reference as if fully set forth herein.

Contractor covenants that it presently has no interest and shall not acquire any interest, directly or indirectly, which could conflict in any manner or degree with the performance of the Services. Contractor further covenants that in the performance of this Agreement, Contractor shall not employ any person having any such interest. No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or to any benefits arising therefrom.

10.6 CONTRACTOR'S COMPLIANCE WITH FLORIDA PUBLIC RECORDS LAW

- (A) Contractor shall comply with Florida Public Records law under Chapter 119, Florida Statutes, as may be amended from time to time.
- (B) The term "public records" shall have the meaning set forth in Section 119.011(12), which means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of the City.
- (C) Pursuant to Section 119.0701 of the Florida Statutes, if the Contractor meets the definition of "Contractor" as defined in Section 119.0701(1)(a), the Contractor shall:
 - (1) Keep and maintain public records required by the City to perform the service;
 - (2) Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law;
 - (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law, for the duration of the contract term and following completion of the Agreement if the Contractor does not transfer the records to the City;
 - (4) Upon completion of the Agreement, transfer, at no cost to the City, all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall

meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

(D) REQUEST FOR RECORDS; NONCOMPLIANCE.

- (1) A request to inspect or copy public records relating to the City's contract for services must be made directly to the City. If the City does not possess the requested records, the City shall immediately notify the Contractor of the request, and the Contractor must provide the records to the City or allow the records to be inspected or copied within a reasonable time.
- (2) Contractor's failure to comply with the City's request for records shall constitute a breach of this Agreement, and the City, at its sole discretion, may: (1) unilaterally terminate the Agreement; (2) avail itself of the remedies set forth under the Agreement; and/or (3) avail itself of any available remedies at law or in equity.
- (3) A Contractor who fails to provide the public records to the City within a reasonable time may be subject to penalties under s. 119.10.

(E) CIVIL ACTION.

- (1) If a civil action is filed against a Contractor to compel production of public records relating to the City's contract for services, the court shall assess and award against the Contractor the reasonable costs of enforcement, including reasonable attorneys' fees, if:
 - a. The court determines that the Contractor unlawfully refused to comply with the public records request within a reasonable time; and
 - b. At least 8 business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the Contractor has not complied with the request, to the City and to the Contractor.
- (2) A notice complies with subparagraph (1)(b) if it is sent to the City's custodian of public records and to the Contractor at the Contractor's address listed on its contract with the City or to the Contractor's registered agent. Such notices must be sent by common carrier delivery service or by registered, Global Express Guaranteed, or certified mail, with postage or shipping paid by the sender and with evidence of delivery, which may be in an electronic format.
- (3) A Contractor who complies with a public records request within 8 business days after the notice is sent is not liable for the reasonable costs of enforcement.

(F) **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:**

10.7 PRIORITY OF CONTRACT DOCUMENTS.

In the event of conflict or inconsistency among any of the Contract Documents, the following order of precedence shall govern the interpretation of the Contract Documents:

- a. Change Orders or Amendments to this Contract (excluding the Scope of Services);
- b. Purchase Orders;
- c. Task Orders;
- d. The Contract Documents (excluding the Scope of Services);
- e. Modifications or changes to the completed Scope of Services, as approved by the City;
- f. The completed Plans and Specifications, as approved by the City; and
- g. The ITB.

In the event of any conflict between the General Terms and Conditions (as may be amended by Change Order) and any portion of this Agreement, the provisions of the General Terms and Conditions, as amended, shall take precedence and control.

SECTION 11 **NOTICES**

All notices and communications in writing required or permitted hereunder, shall be delivered personally to the representatives of the Contractor and the City listed below or may be mailed by U.S. Certified Mail, return receipt requested, postage prepaid, or by a nationally recognized overnight delivery service.

Until changed by notice, in writing, all such notices and communications shall be addressed as follows:

Notice may also be provided to any other address designated by the party to receive notice if such alternate address is provided via U.S. certified mail, return receipt requested, hand delivered, or by overnight delivery. In the event an alternate notice address is properly provided, notice shall be sent to such alternate address in addition to any other address which notice would otherwise be sent, unless other delivery instruction as specifically provided for by the party entitled to notice.

Notice shall be deemed given on the date of an acknowledged receipt, or, in all other cases, on the date of receipt or refusal.

SECTION 12 **MISCELLANEOUS PROVISIONS**

12.1 CHANGES AND ADDITIONS

This Agreement cannot be modified or amended without the express written consent of the parties. No modification, amendment, or alteration of the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

12.2 SEVERABILITY

If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement shall not be affected, and every other term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

12.3 WAIVER OF BREACH

A party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A party's waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

12.4 JOINT PREPARATION

The parties hereto acknowledge that they have sought and received whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been a joint effort of the parties, the language has been agreed to by parties to express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

12.5 ENTIRETY OF AGREEMENT

The City and Contractor agree that this is the entire Agreement between the parties. This Agreement supersedes all prior negotiations, correspondence, conversations, agreements or

understandings applicable to the matters contained herein, and there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Title and paragraph headings are for convenient reference and are not intended to confer any rights or obligations upon the parties to this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their appropriate officials, as of the date first entered above.

Vetted Security Solutions (hereinafter referred to as "Contractor") shall furnish, install and maintain Vigilant Solutions brand automated license plate readers ("ALPR"). Work shall include furnishing all Vigilant Solutions brand equipment and any other equipment, supplies or services required to complete a turn-key installation at the designated locations, which includes (but is not limited to) twenty-six (26) locations, covering 100+ lanes of traffic. Contractor shall also maintain all equipment, as designated by the City in accordance with the highest standards established by Vigilant Solutions or any other manufacturer utilized, in accordance with pricing established in Exhibit B, herein.

At the request of the City representative, Contractor shall provide a proposal to be included in the Task Order, Exhibit D, for each location requested by the City representative. Proposal shall contain a detailed description of the work, each item or service to be utilized, and shall be in accordance with the agreed to pricing. Contractor shall commence the Work upon written notice to proceed in the form of a Purchase Order issued by the City, and a Contractor Service Order signed by either the City Manager or the Department Director ordering the Work, specifying the specific tasks to be performed by the Contractor for any Project. **A separate Contractor Service Order shall be required prior to commencement of any Work on any Project.** All work of a construction nature shall be completed in accordance with the General Conditions for Construction Contracts (located at <https://www.miamibeachfl.gov/wp-content/uploads/2019/06/General-Conditions-for-Construction-Contracts.pdf>).

EXHIBIT E: FORM OF PERFORMANCE BOND

BY THIS BOND, We _____, as Principal, hereinafter called Contractor, and _____, as Surety, are bound to the City of Miami Beach, Florida, as Obligee, hereinafter called City, in the amount of _____ Dollars (\$_____) for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, Contractor has by written agreement entered into a Contract, Bid/Contract No.: _____, awarded the _____ day of _____, 20____, with City which Contract Documents are by reference incorporated herein and made a part hereof, and specifically include provision for liquidated damages, and other damages identified, and for the purposes of this Bond are hereafter referred to as the "Contract";

THE CONDITION OF THIS BOND is that if Contractor:

1. Performs the Contract between Contractor and City for construction of _____, the Contract being made a part of this Bond by reference, at the times and in the manner prescribed in the Contract; and
2. Pays City all losses, liquidated damages, expenses, costs and attorney's fees including appellate proceedings, that City sustains as a result of default by Contractor under the Contract; and
3. Performs the guarantee of all work and materials furnished under the Contract for the time specified in the Contract; then THIS BOND IS VOID, OTHERWISE IT REMAINS IN FULL FORCE AND EFFECT.

Whenever Contractor shall be, and declared by City to be, in default under the Contract, City having performed City obligations thereunder, the Surety may promptly remedy the default, or shall promptly:

- 3.1. Complete the Project in accordance with the terms and conditions of the Contract Documents; or
- 3.2. Obtain a bid or bids for completing the Project in accordance with the terms and conditions of the Contract Documents, and upon determination by Surety of the lowest responsible Bidder, or, if City elects, upon determination by City and Surety jointly of the lowest responsible Bidder, arrange for a contract

between such Bidder and City, and make available as work progresses (even though there should be a default or a succession of defaults under the Contract

FORM OF PERFORMANCE BOND (Continued)

or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the Contract Price," as used in this paragraph, shall mean the total amount payable by City to Contractor under the Contract and any amendments thereto, less the amount properly paid by City to Contractor.

No right of action shall accrue on this bond to or for the use of any person or corporation other than City named herein.

The Surety hereby waives notice of and agrees that any changes in or under the Contract Documents and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this Bond.

EXHIBIT F: FORM OF PAYMENT BOND

BY THIS BOND, We _____, as Principal, hereinafter called Contractor, and _____, as Surety, are bound to the City of Miami Beach, Florida, as Obligee, hereinafter called City, in the amount of _____ Dollars (\$_____) for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, Contractor has by written agreement entered into a Contract, Bid/Contract No.: _____, awarded the _____ day of _____, 20____, with City which Contract Documents are by reference incorporated herein and made a part hereof, and specifically include provision for liquidated damages, and other damages identified, and for the purposes of this Bond are hereafter referred to as the "Contract";

THE CONDITION OF THIS BOND is that if Contractor:

1. Pays City all losses, liquidated damages, expenses, costs and attorney's fees including appellate proceedings, that City sustains because of default by Contractor under the Contract; and
2. Promptly makes payments to all claimants as defined by Florida Statute 255.05(1) for all labor, materials and supplies used directly or indirectly by Contractor in the performance of the Contract;

THEN CONTRACTOR'S OBLIGATION SHALL BE VOID; OTHERWISE, IT SHALL REMAIN IN FULL FORCE AND EFFECT SUBJECT, HOWEVER, TO THE FOLLOWING CONDITIONS:

- 2.1. A claimant, except a laborer, who is not in privity with Contractor and who has not received payment for its labor, materials, or supplies shall, within forty-five (45) days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish to Contractor a notice that he intends to look to the bond for protection.
- 2.2. A claimant who is not in privity with Contractor and who has not received payment for its labor, materials, or supplies shall, within ninety (90) days after performance of the labor or after complete delivery of the materials or supplies, deliver to Contractor and to the Surety, written notice of the performance of the labor or delivery of the materials or supplies and of the nonpayment.
- 2.3. No action for the labor, materials, or supplies may be instituted against Contractor or the Surety unless the notices stated under the preceding conditions (2.1) and (2.2) have been given.

RESOLUTION NO. 2019-30738

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE CITY MANAGER, WAIVING BY 5/7THS VOTE, THE FORMAL COMPETITIVE BIDDING REQUIREMENTS, IN ACCORDANCE WITH SECTION 2-367 OF THE CITY CODE, FINDING SUCH WAIVER TO BE IN THE CITY'S BEST INTEREST, AND AUTHORIZING THE CITY MANAGER AND CITY ATTORNEY TO NEGOTIATE AN AGREEMENT(S) FOR PURCHASE OF LICENSE PLATE READER (LPR) EQUIPMENT, INCLUDING SOFTWARE, INSTALLATION AND MAINTENANCE, FROM VIGILANT SOLUTIONS, LLC, AND ITS AUTHORIZED DEALERS, FOR THE PURPOSE OF STANDARDIZING VIGILANT SOLUTIONS, LLC BRAND LICENSE PLATE READER (LPR) SYSTEM; AND FURTHER AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO APPROVE EACH TASK ORDER FOR THE PURCHASE OF EQUIPMENT, SOFTWARE, INSTALLATION, AND MAINTENANCE OF THE LPR SYSTEM, WITH AN AMOUNT NOT TO EXCEED \$300,000.

WHEREAS, in 2012, the Police Department began to research the use of LPR systems as another emerging law enforcement tool. During the 2012 Memorial Day Weekend the Police Department coordinated the placement of several brands of LPR systems to explore the viability of the technology as well as each manufacturer's pros and cons; and

WHEREAS, the technology proved to be very useful and Vigilant Solutions, LLC proved to be the overall best system for the reasons outlined in the accompanying commission memorandum; and

WHEREAS, the Police Department currently has seven (7) sites across the City which have fixed LPRs, and ten (10) patrol cars mounted with LPRs, as well as a mobile trailer mounted LPR unit and a number of held-held units for a total number deployed to date of 45 LPR units; and

WHEREAS, since the implementation of Vigilant LPR program in Miami Beach, there have been many felony arrests including wanted persons in connection to robberies and carjackings, extraditable warrants from around the country, stolen vehicle recoveries, a large number of firearms and countless criminal citations; and

WHEREAS, the Vigilant LPR program has also helped investigators in several criminal investigations, and have proven to be tremendously efficient, effective and vital crime-fighting and crime-prevention tools; and

WHEREAS, during Memorial Day Weekend 2018 stationary LPRs were deployed on the MacArthur and Juliet Causeways resulting in the following:

WHEREAS, the General Obligation Bond approved in November 2018 includes funding for the continued deployment of this technology to include an additional 26 locations covering 100+ lanes of traffic; and

WHEREAS, if the City were to implement a new LPR brand the following costs will have to be considered:

- A considerable up-front implementation cost;
- The replacement cost of the existing and already installed LPRs;
- The cost of access of an alternate LPR database;
- The purchase of ancillary software products necessary for police operations;
- The inability to share LPR data with most of the other departments in the state currently on Vigilant systems; and

WHEREAS, for the reasons stated herein, the Police Department has determined it would not be cost effective nor operationally beneficial to consider other brands at this time, and further, would be in the best interest of the City to standardize the purchases of Vigilant LPRs, equipment, software and services citywide. Further, rather than continuing to purchase the Vigilant LPR system through piggyback arrangements, the Department is requesting that the City Manager be authorized to negotiate an agreement(s) with Vigilant and its authorized installation dealers that can serve the law enforcement and technology needs of the City, as well as maximize any cost savings possible through the standardization process; and

WHEREAS, pursuant to Section 2-391 of the City Code (which allows materials, supplies, equipment and certain contractual services to be standardized), the City Manager recommends establishing a citywide standard for the applicable Vigilant Solutions, LLC brand LPR system, that will expedite future program expansion, maintenance, upgrades and purchases by limiting to only Vigilant brand equipment and services, and further, negotiating directly with Vigilant and its authorized dealers to arrive at terms, conditions and pricing that are in the best interest of the City.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and the City Commission hereby accept the recommendation of the City Manager to waive, by 5/7ths vote, the formal competitive bidding requirements, in accordance with section 2-367 of the City Code, finding such waiver to be in the City's best interest, and authorizing the City Manager and City Attorney to negotiate an agreement(s) for purchase of license plate reader (LPR) equipment, including software, installation and maintenance, from Vigilant Solutions, LLC, and its authorized dealers, for the purpose of standardizing Vigilant Solutions, LLC brand license plate reader (LPR) system; and, further authorizing the City Manager, or designee, to approve each task order for the purchase of equipment, software, installation, and maintenance of the LPR system, with an amount not to exceed \$300,000.

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Jimmy L. Morales, City Manager
DATE: March 13, 2019

SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE CITY MANAGER, WAIVING BY 5/7TH VOTE, THE FORMAL COMPETITIVE BIDDING REQUIREMENTS, IN ACCORDANCE WITH SECTION 2-367 OF THE CITY CODE, FINDING SUCH WAIVER TO BE IN THE CITY'S BEST INTEREST, AND AUTHORIZING THE CITY MANAGER AND CITY ATTORNEY TO NEGOTIATE AN AGREEMENT(S) FOR PURCHASE OF LICENSE PLATE READER (LPR) EQUIPMENT, INCLUDING SOFTWARE, INSTALLATION AND MAINTENANCE, FROM VIGILANT SOLUTIONS, LLC, AND ITS AUTHORIZED DEALERS, FOR THE PURPOSES OF STANDARDIZING VIGILANT SOLUTIONS, LLC BRAND LICENSE PLATE READER (LPR) SYSTEM; FURTHER, AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO APPROVE EACH TASK ORDER FOR THE PURCHASE OF EQUIPMENT, SOFTWARE, INSTALLATION, AND MAINTENANCE OF THE LPR SYSTEM, WITH AN AMOUNT NOT TO EXCEED \$300,000.

RECOMMENDATION

Approve the Resolution.

ANALYSIS

In 2012, the Department began to research the use of LPR systems as another emerging law enforcement tool. During the 2012 Memorial Day Weekend the Police Department coordinated the placement of several brands of LPR systems to explore the viability of the technology as well as each manufacturer's pros and cons. The technology proved to be very useful and Vigilant proved to be the overall best system for a number of reasons, including but not limited to:

- The Vigilant platform and LEARN server provides real time alerting to dispatch and field units while cross referencing other law enforcement agency hotlists.
- Provides for data sharing amongst Florida State agencies in furtherance of law enforcement activities while utilizing the centralized LEARN server.
- Vigilant's Florida LEARN Server for all statewide law enforcement agencies saves the City approximately \$20,000 per year in camera licensing fees, and another \$33,000 per year for the commercial data access. These savings account for over \$53,000 per year,

resulting in over \$300,000 saved since the agreement was implemented.

- Access to the Vigilant database and software products at no cost in exchange for hosting Vigilant's LEARN server for all statewide law enforcement agencies.
- The Vigilant platform provides access to the largest commercially scanned database across the country with more than 9 billion records while adding approximately 150 million "tag" reads a month, including over 1 billion scans in Florida alone.

The Police Department currently has seven (7) sites across the City which have fixed LPRs. The Department also maintains ten (10) patrol cars mounted with mobile LPRs, a mobile trailer mounted LPR unit, as well as a number of hand held units. In total, the Department has deployed over forty-five (45) LPR cameras.

Since the implementation of Vigilant LPR program in Miami Beach there have been many felony arrests including wanted persons in connection to robberies and carjacking's, extraditable warrants from around the country, stolen vehicle recoveries, a large number of firearms and countless criminal citations. The Vigilant LPR program has also helped investigators in several criminal investigations. They have proven to be tremendously efficient, effective and vital to crime-fighting and crime-prevention tools.

As an additional layer of security on Memorial Day Weekend 2018, during the evening hours of May 24-May28 (Thursday-Monday), stationary LPRs were deployed on the MacArthur and Juliet Causeways resulting in the following:

- 45,262 license plates scanned
- 8 guns seized
- 11 Felony arrests
- 44 Misdemeanor citations/arrests

The General Obligation Bond approved in November 2018 includes funding for the continued deployment of this technology to include an additional 26 locations covering 100+ lanes of traffic. At this time, the Department is seeking to continue to utilize Vigilant License Plate Readers, software and services. If the City were to implement a new LPR brand the following costs will have to be considered:

- A considerable up-front implementation cost;
- The replacement cost of the existing and already installed LPRs;
- The cost of access of an alternate LPR database;
- The purchase of ancillary software products necessary for police operations.
- The inability to share LPR data with most of the other departments in the state currently on Vigilant systems.

Therefore, and for the reasons stated above, the Department has determined it would not be cost effective nor operationally beneficial to consider other brands at this time, and further, would be in the best interest of the City to standardize the purchases of Vigilant LPRs, equipment, software and services citywide. Further, rather than continuing to purchase the Vigilant LPR system through piggyback arrangements, the Department is requesting that the City Manager be authorized to negotiate an agreement(s) with Vigilant and its authorized installation dealers that can be served the law enforcement and technology needs of the City, as well as maximize any cost savings possible through the standardization process.

Attached are two local articles that document the effectiveness of the LPR system.

CONCLUSION

In consideration of the above, I agree with standardizing the City's license plate reader (LPR) infrastructure to a single and consistent manufacturer (Vigilant) in order to streamline and simplify equipment maintenance, repairs, and technology compatibility, thereby reducing

operational costs, while further delivering overall achievement of the City's public safety objectives. Pursuant to Section 2-391 of the City Code (which allows materials, supplies, equipment and certain contractual services to be standardized), the City Manager recommends establishing a citywide standard for the applicable Vigilant Solutions, LLC brand LPR system, that will expedite future program expansion, maintenance, upgrades and purchases by limiting to only Vigilant brand equipment and services. Further, I agree with negotiating directly with Vigilant and its authorized dealers to arrive at terms, conditions and pricing that are in the best interest of the City.

Based on the foregoing, I recommend that the Mayor and City Commission of the City of Miami Beach, Florida, approve the Resolution waiving by 5/7ths vote, the formal competitive bidding requirements, in accordance with section 2-367 of the City Code, finding such waiver to be in the City's best interest, and authorizing the City Manager and City Attorney to negotiate an agreement(s) for purchase of license plate reader (LPR) equipment, including software, installation and maintenance, from Vigilant Solutions, LLC, and its authorized dealers, for the purposes of standardizing Vigilant Solutions, LLC brand license plate reader (LPR) system; further, authorizing the City Manager, or designee, to approve task orders for the purchase of equipment, software, installation, and maintenance of the LPR system, in an amount not to exceed \$300,000 annually.

License plate readers help Miami Beach police crack down on crime

49 felony arrests made in city since January with help of license plate readers

MIAMI BEACH, Fla. - Police in Miami Beach are now able to make several arrests in a matter of days thanks to license plate readers.

Miami Beach is no doubt a popular city. With so much traffic and so many visitors, police are finding creative ways to keep everyone safe.

"We can easily and readily intercept certain people who are probably up to no good in our city," Miami Beach police Chief Dan Oates said.

One way they're doing that is with the license plate readers -- some stationary, some mobile, according to Oates.

Over the weekend, scanning plates led Miami Beach police to find a Nissan Armada traveling across the MacArthur Causeway.

Police said the vehicle had been flagged and tied to multiple shootings in the city of Miami.

Police apprehended two men inside and found large guns before calling Miami police detectives.

"That's a car wanted in connection with two shootings with two rifles in it that came into our city and was intercepted by us," Oates said. "There's no sensible need for a rifle in the ordinary course of enjoying a good time in Miami Beach."

Police also intercepted a stolen vehicle.

Since January, the department has made 49 felony arrests using license plate readers, 79 misdemeanors and has issued close to 1,500 criminal traffic citations and close to 3,000 traffic citations.

The plate readers are controversial, but the police chief said it's made a huge difference combating crime.

"We don't share that data with insurance companies. We don't sell that information to anyone," Oates said. "The only reason that we collect that data is for law enforcement purposes only, and we retain it only for one year and then we purge it."

How one Florida PD uses license plate readers to catch criminals

An automated license plate reader system helps police in a Miami suburb develop leads and close cases

Apr 23, 2018

Sponsored by Vigilant Solutions

By Tim Dees for PoliceOne BrandFocus

Installing fixed cameras to record license plates and alert authorities of vehicles of interest is proving a worthwhile investment for one Florida city.

The city of Doral, Florida, installed automated license plate reader cameras at major entry points to capture the license plates of nearly all vehicles entering and leaving the city. Doral PD receives alerts on license plates flagged by the system for further attention. (image/Doral PD)

Doral is a relatively new city, incorporated in 2003, and it didn't have its own police department until 2008. If you have ever flown in or out of Miami International Airport, you've probably been there. The city of about 60,000 people lies just west of the airport property.

The Doral PD began the process of adopting automated license plate reader (ALPR) technology in 2010 to monitor the city's transient traffic after they discovered that most crimes in the city were committed by suspects who lived elsewhere. The city now has cameras installed at major entry points to capture the license plates of nearly all vehicles entering and leaving the city. The data is fed to the PD's communications center, which receives alerts on license plates flagged by the system, supplied by Vigilant Solutions, for further

Page 7 of 14

License plates are run against both the national and state (NCIC and FCIC) wanted vehicle files as well as an internal database maintained by the Doral PD. Dispatchers are notified when the system detects a stolen vehicle, as well as those flagged for investigative interest. The latter category includes vehicles known to be owned or operated by carjackers, burglars, thieves and other criminals who might seek victims in Doral.

When a stolen vehicle triggers the system, dispatchers alert patrol officers of the vehicle description and direction of travel so they can attempt to locate the stolen car and arrest the driver.

Where most ALPR systems are mobile – meaning the cameras are mounted on patrol cars – Doral's fixed camera system has proven its worth again and again. The department does have one patrol car equipped with a mobile ALPR system, but their immediate plans are to expand the fixed camera installations to cover all points of entry into the city within two years, rather than just the more heavily-traveled intersections they have covered now.

SOLVING CAR BURGLARIES, AUTO THEFTS

Doral PD's Captain Carlos Arango described other circumstances when the license plate data has played a key supporting role in an investigation.

"We had a carjacking where the victim's car was stolen. We were able to enter the car into the Vigilant system, and through the intersection cameras that capture the regular traffic, we were able to find the car that was following the victim, and later the car that was following the victim's car," Arango said. "That's how we were able to make our case against that guy."

Another case where the Vigilant ALPR system proved its worth was with a series of car burglaries in July 2015. Detectives of the Doral PD's Crime Suppression Team identified one suspect through review of CCTV footage from a Walmart and were then able to associate a vehicle and its license tag with that suspect.

Entering that tag into the ALPR system allowed detectives to place the vehicle in the areas and times of the crimes. The same group of suspects stole four cars during their campaign. Eventually, the CST detectives arrested four juveniles and recovered one firearm, four stolen cars and \$85,000 in stolen property. The investigation also revealed the existence of a juvenile gang (called (the "400 Boys"), and assisted other agencies in solving related cases.

A series of "bank jugging" cases took place when victims were followed from banks after making large cash withdrawals. A security officer obtained a partial license plate and vehicle description, and the ALPR system was able to identify the suspect's vehicle from this partial data.

The suspect vehicle turned out to be a rental. CST detectives found the suspect had swapped the car for another rental, but again located it with the aid of the ALPR. The CST kept the car on its radar for five hours with the aid of data from the ALPR, which established the most likely time and travel pattern. The case ended with the arrest of four suspects and the recovery of \$1,200 in cash.

plements its fixed license plate reader camera installations with one mobile camera system mounted on a patrol car, but Arango plans to expand the fixed camera installations to cover all points of entry into the city. (image/Doral PD)

ACQUISITION AND MANAGEMENT OF THE SYSTEM

Arango says that after overcoming a few initial hurdles, the Vigilant license plate reader system has proved its worth over the past four years.

Lt. Cathy Jewett, one of the program's implementation managers, recommends that anyone contemplating a similar effort assign a project manager/stakeholder to oversee the project from beginning to end for a smooth rollout.

Oversight of the system falls to the city's IT department, so there's not a large direct load on the police department's resources. Arango estimated the annual maintenance agreement cost at just under \$100,000 annually.

Beyond the obvious benefits to crime suppression and investigation, the Vigilant license plate reader system provides traffic engineering data in almost real time. The system detects about 192,000 cars per day passing through the city limits. Currently, about 2 percent of the plate detections generate hits for stolen vehicles, missing persons, Amber Alerts, vehicles wanted in connection with felonies and sex offenders, among other categories of police interest.

Arango believes the ALPR system has been a worthwhile investment:

"Almost daily we use it to analyze crime trends in an effort to develop leads, solve crimes and save lives."

Piggyback Lake County Contract		
Requested Action		
Requesting approval to piggyback contracts number 22-730B, 22-730C, 22-730D, 22-730F, 22-730G, 22-730H, 22-730I, 22-730J, and 22-730K between Lake County BCC and Bennett Fire Products Company, Fisher Scientific Company, Henry Schein, Medline Industries, Municipal Emergency Services, Municipal Equipment Company, North American Fire Equipment Co., TechnicalRescue.com, and Ten-8 Fire to provide fire equipment, supplies, and services for the City of Clermont.		
Staff Report		
The Procurement Services Department and the Fire Department recommend approval of the above action. At the request of the Fire Department, the Procurement Services Department sought contracts from Lake County BCC number 22-730B, 22-730C, 22-730D, 22-730F, 22-730G, 22-730H, 22-730I, 22-730J, and 22-730K, to obtain fire equipment, supplies, and services. The Lake County contracts were obtained through a fully competitive solicitation and comply with the City of Clermont Procurement Services Policy. The award includes an initial one (1) year term agreement with an additional two (2) two (2) year renewals at the option of the city. Based on this, the staff recommends that Council approve to piggyback the Lake County contracts for fire equipment, supplies, and services. The estimated annual usage of the contract services is between \$25,000 and \$55,000. The use of piggyback contracts is allowed under the Purchasing Policy Section E.9 and is a procurement best practice that takes advantage of competitive pricing from a contract formerly bid by another government agency. The Procurement Services Department has determined that the use of piggyback contracts is advantageous and in the best interest of the City to reduce administrative time and expense while providing favorable pricing. Approval of this contract does not commit the City to purchases or require that the contract must be utilized. Purchases associated with piggyback contracts are budgeted by each department. The estimated annual usage does not represent the budgeted amount by a department.

4.0 QUESTIONS, EXCEPTIONS, AND ADDENDA

Vendors must examine all solicitation documents including the [General Terms and Conditions for Lake County Florida](#). All communication, inquiries, or requests for exceptions are to be directed to the Contracting Officer listed in Section 2.0. The last day for questions or requests for exceptions is **04/12/2022**. An addendum may be issued in response to any inquiry received, which changes or clarifies the terms, provisions, or requirements of the solicitation. No answers given in response to questions submitted will be binding upon this solicitation unless released in writing as an addendum to the solicitation and posted on the [Formal Solicitations site \(lakecountyfl.gov\)](#) for this solicitation. Where there appears to be a conflict between this solicitation and any addenda, the last addendum issued will prevail.

It is the Vendor's responsibility to ensure receipt of all addenda and any accompanying documentation. Failure to acknowledge each addendum may prevent the Submittal from being considered for award. The solicitation due date is static unless notified via addendum.

Process clarification or procedure questions may be asked at any time to the Contracting Officer.

5.0 METHOD OF AWARD

Each Submittal will be evaluated for conformance as responsive and responsible using the following criteria:

- A. Proper submittal of ALL documentation as required by this Solicitation. (Responsive)
- B. The greatest benefits to Lake County as it pertains to: (Responsible)

1. Total Cost;
2. Delivery;
3. Past Performance. B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730C

For

Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Fisher Scientific Company, L.L.C.** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 4/26/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: **N/A**

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730D
For
Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Henry Schein, Inc.** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 4/26/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: N/A

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730G
For
Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Municipal Emergency Services, Inc.** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 4/25/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: **N/A**

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730H
For
Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Municipal Equipment Company, LLC.** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 4/20/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: N/A

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

[The remainder of this page is intentionally left blank.]

The undersigned hereby declares that: Municipal Equipment Company, LLC has examined and accepts the specifications, terms, and conditions presented in this Solicitation, satisfies all legal requirements to do business with the County, and to furnish **FIRE EQUIPMENT, SUPPLIES, AND SERVICES** for which Submittals were advertised to be received no later than 3:00 P.M. CONTRACT NO. 22-730I

For

Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **North America Fire Equipment, Co., Inc. (NAFECO)** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 4/27/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: **N/A**

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

- 7.3. Contractor shall assume the risk of loss of damage to the County's property during possession and until delivery and acceptance of property to the County.
- 7.4. The Contractor shall correct all apparent or latent deficiencies, defects in work, or any work that fails to conform at the Contractor's expense within ten (10) calendar days.

[The remainder of this page intentionally left blank]

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730J
For
Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **TechnicalRescue.com, Inc.** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/28/2022, and Contractor's Bid response dated 3/24/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: N/A

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 22-730K
For
Fire Equipment, Supplies, and Services

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Ten-8 Fire and Safety, LLC** (hereinafter "Contractor") to supply **Fire Equipment, Supplies, and Services** to the County pursuant to County Bid number 22-730 with any included addenda (hereinafter "Bid"), with an opening date of 4/26/2022, and Contractor's Bid response dated 3/24/2022, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Addendum 1 & 2, Exhibit A – Scope of Work, Exhibit B – Insurance Requirements, Attachment 1 – Submittal Form with General Terms & Conditions acceptance, Attachment 2 – Pricing Sheet

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

Contractor shall submit the documents hereinafter listed prior to commencement of this Contract: N/A

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 8/1/2022 through 7/31/2023, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Any and all modifications to this Contract must be in writing signed by the County's Procurement Services Director.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	\$1,000,000/2,000,000
Products-Completed Operations	\$2,000,000
Personal & Adv. Injury	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of \$1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000
Disease-Each Employer	\$1,000,000
Disease-Policy Limit	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800

TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

The property owner is requesting water services for a newly constructed single-family residential home located on a 2-acre parcel located at 14655 Johns Lake Road. The owner would like connection to the City water service and will use the existing well for irrigation purposes only. The estimated water consumption is 480 gallons per day. A septic tank has been installed; sewer services are not required for the residence. Staff has verified that the City can provide water services to the residential home and it is within the City's service area.

UTILITY SERVICE AGREEMENT - WATER

This document constitutes an agreement between the City of Clermont, hereby referred to as **CITY**, a municipality of the State of Florida, and Pablo Castillo & Francisca Castillo, and any successors or assigns, hereby referred to as **OWNER**.

WITNESSETH

Whereas, OWNER is requesting service to a new single family residential home which is located on 2.0+/- acres at 14655 Johns Lake Road, (Alt Key – 3909233) on real property (the “Property”) described on Exhibit ‘A’, attached hereto and by this reference made a part hereof; and

Whereas, the Property is located in the incorporated area of Lake County and the OWNER is requesting water service from the CITY; and

Whereas, as a condition of CITY providing said water service to the Property, OWNER is to extend water lines to serve the Property and lines and appurtenances must be sized and constructed in accordance with the minimum requirements of CITY Land Development Regulations and to meet the flow demands for the site; and

Whereas, the CITY may, at the sole option of the CITY, elect to oversize the water lines and appurtenances in order to provide additional capacity to other properties; and

Whereas, as a condition of the provision of water service to the Property by the CITY, OWNER agrees that this Agreement shall constitute an unconditional application to annex the Property into the City of Clermont, if the CITY chooses to do so; and

Whereas, OWNER and CITY are entering into this Agreement to set forth the terms and conditions under which water service shall be extended and sized.

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter contained, the parties do hereby agree as follows:

Section 1. OFF-SITE WATER – Each and all of the foregoing premises are incorporated into and constitute a part of this Agreement.

- 1.1 CITY shall provide water service for the Property.
- 1.2 OWNER shall connect to the existing City system at connection point or points approved by CITY.
- 1.3 The route of any off site lines shall be according to engineering plans produced by OWNER and approved by the CITY.
- 1.4 The OWNER shall construct the facilities, lines and appurtenances necessary to serve the development and provide such documentation necessary for the CITY to ascertain that the lines shall meet the minimum line size requirements as specified by the CITY Land Development Regulations.

- 1.5 In the event the CITY chooses to oversize the lines or appurtenances, the CITY shall provide to the OWNER the specifications regarding sizes to be included in the final improvement plans.
- 1.6 The OWNER shall be responsible for the construction of all on site and off site lines and appurtenances to serve the project. No building permits shall be issued until water is provided to the site or until a bond or letter of credit, acceptable to CITY, is in place to guarantee completion of off-site improvements.
- 1.7 The OWNER shall be responsible for all costs of on site and off site improvements, including but not limited to design, material, permitting and installation of sufficient size lines, lift stations and other appurtenances necessary to allow the CITY to serve the Property.
- 1.8 The existing utilities shall stay in service throughout construction. If the construction requires that the utilities be relocated or altered, the OWNER shall prepare plans, permit the project and construct the modifications at the OWNER's expense.
- 1.9 The project shall provide access easements to the City of Clermont to access the water meter for the site. The City of Clermont will charge water fees based on the water meter readings.
- 1.10 The CITY shall be responsible for the difference in cost of materials to oversize the line if the CITY chooses to oversize based on plans and cost estimates provided by OWNER to CITY, and approved in advance by the CITY.
- 1.11 The OWNER shall provide to the CITY a cost estimate for materials for the minimum size lines and appurtenances and a cost estimate for materials for an approved oversize. Cost estimate shall be contractors bid as certified by OWNER'S project engineer. The CITY shall review and either approve or reject the costs.
- 1.12 The OWNER shall be responsible for all costs including design, permitting, materials and construction of the water lines and appurtenances, both on site and off site, required to serve the Property.
- 1.13 The OWNER shall be responsible for all applicable fees including but not limited to impact fees, connection fees and permitting fees. All fees are non-refundable.

Section 2. DEVELOPMENT STANDARDS

- 2.1 Any other water service development items to the site that have not been addressed must be completed in accordance with City of Clermont standards unless otherwise stipulated in this Agreement or subsequent amendments to this Agreement.
- 2.2 The use shall be limited to a single-family residential structure with typical water use.
- 2.3 Existing well shall only be used for irrigation purposes and must not connect to the home or City Water supply. The owner shall maintain a RPZ backflow device on the potable water system.

Section 3. ANNEXATION

OWNER agrees that CITY may annex the Property into the City of Clermont if CITY, at its sole discretion, chooses to do so. In conjunction herewith, OWNER shall provide to CITY a Notice of Encumbrance To Annex Property in a form substantially in compliance with the form set forth in Exhibit "B", attached hereto and incorporated herein. The CITY shall record this Notice in the public records of Lake County whereupon it is agreed it shall serve as an enforceable encumbrance on the real property described in Exhibit "A" and shall be accompanied, at OWNER's expense, by a current certificate of title or opinion letter acceptable to CITY and issued by a licensed title company or attorney identifying all owners in interest of the real property. All land transfers by OWNER shall contain a deed restriction or covenant noting the existence of this encumbrance to annex, such restriction to be recorded as a covenant to run with the land.

The OWNER, agrees on his/hers/theirs/its own behalf and that of Grantors' heirs and assigns that once the property is annexed into the City, in the event that the septic tank or septic field fails, the OWNER shall connect to City's sewer system when a sewer connection is available as determined by City.

Section 4. SEVERABILITY

In the event that any provision of this agreement shall be held invalid or unenforceable, the provision shall be deleted from this agreement without affecting in any respect whatsoever the validity of the remainder of this agreement.

Section 5. NOTICES

All notices, demands, or other writings required to be given or made or sent in this Agreement, or which may be given or made or sent, by either party to the other, shall be deemed to have been fully given or made or sent when in writing and addressed as follows:

CITY	OWNER
City of Clermont City Manager P.O. Box 120219 Clermont, FL 34712-0219	Pablo Castillo & Francisca Castillo 14655 Johns Lake Road Clermont, FL 34711

Section 6. AMENDMENTS

Any amendment to this agreement is not effective unless the amendment is in writing and signed by all parties.

Section 7. EFFECTIVE DATE AND TERM

This agreement shall take effect as of the latest date either party executes this agreement and shall expire on the fifth anniversary thereof unless extended by a subsequent agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the dates listed below. CITY through its City Manager, authorized to execute it by City Council action.

Notice to Area Residents and Businesses
Clermont's Veterans Day Parade and Veterans Day Celebration
Presented by South Lake Florida Base

Dear resident/business owner,

As required by the City of Clermont Special Event Policy, we are providing you with this notice of the following proposed event that may impact you. This event will be heard by the City Council for approval at an upcoming City Council meeting. Please monitor the City's webpage at www.clermontfl.gov for notice on when the exact date the item will be heard.

On November 11, 2022 South Lake Florida Base (local Submarine Veterans Group). Clermont VFW Post and the Marine Corps League Detachment 1120 are organizing Clermont's Veterans Day Parade and Veterans Day Celebration for Downtown Clermont. Celebrating Veterans Day with a morning parade, it will not only attract our local veterans' residences and their local families, but it will bring participants from outside Lake County adding awareness to our beautiful growing Downtown area and all that it has to offer.

You are receiving this letter because your home or business is on the parade route. Below is some key information about the event and what to expect:

- Friday morning November 11. The parade will start at West Park on 12th Street, travel East down Minneola Ave to West Ave. The parade will turn left onto West Ave until Osceola Ave traveling East to 3rd Street. Signs placed on the route will remind residents and businesses of the following morning's temporary road closures.
- November 11, 10:00 the Parade will step off/start.
- Street closure will be between 9:00AM – 11:00 AM. As soon as the last participant is on their way, we will start reopening the roads behind them.

For any questions or more information on the event, please contact
Ed Lashbrook at edlashbrook@gmail.com/ 757-503-1365 or
Robert Mock at rmock3@cfl.rr.com /321-536-9964

You may also contact us if your business or club would like to be a sponsor or be involved in any way.
We ask that you please take this event into consideration when planning your for 11 November Veterans Day.

Thank you for helping our community grow and live actively!!

Variance Request 2470 Linkwood Avenue		
Requested Action		
Recommend denial of the requested variance.		
Staff Report		
The applicant is requesting a variance for (1) a rear yard setback to be less than the minimum 25 feet required for property located at 2470 Linkwood Avenue. The requested variance would allow for a solid roof pergola accessory structure to be located in the rear yard of the existing single family home. The existing pergola accessory structure would allow for a 4 foot encroachment into the required 25 foot rear yard setback. The current Land Development Codes, Section 122-342, require any solid roof structures or buildings must be able to meet the minimum setbacks for the primary residence. The required rear yard setback in this subdivision is 25 feet from the rear property line. The proposed pergola porch addition with a solid roof would increase the existing impervious surface ratio for lot coverage, but will not be over the minimum requirements permitted by the codes. The applicant has received approval from the HOA. Section 86-174 of the Land Development Code requires a positive finding on the review criteria in order to grant a variance. Staff has reviewed the application as submitted and finds the application does not meet a positive finding on all of the five review criteria. Therefore, staff recommends denial of the requested variance.

2470 Linkwood Avenue -- Variance

The requirements for a variance are as follows:

“Sec. 86-174, Review Criteria and Finding. When reviewing an application for a variance, the City Council shall not vary the requirements of the land development code unless it makes a positive finding, based on substantial competent evidence, on each of the following:”

FINDINGS:

- (1) Granting the variance will not cause or allow interference with the reasonable enjoyment of adjacent or nearby property owners or negatively impact the standard of living of the citizens of the city;

Applicant response: *No. The variance request will not affect the adjacent owners negatively. Our home has a rear 25 ft. easement behind our land before the next gated community begins. We then have the additional required rear 7.5 ft. setback before any structure can be built. No neighbor’s standards of living will be negatively impacted on either side of our home. In addition, we will be requesting a screen enclosure that will not go beyond the allowed boundaries.*

Staff comments: *The proposed variance request to allow for encroachment into the rear yard setback may create slow and improper drainage of water runoff that could negatively affect the adjacent neighbors.*

Negative finding

- (2) The variance will allow reasonable use of the property; which use is not out of character with other properties in the same zoning category;

Applicant response: *Yes. This variance request will create an outdoor covered seating area for family activities, and enjoyment. The pergola will also provide cover from the heat and rain elements. This requested pergola will not be out of character with any other similar structure.*

Staff comments: *The variance request is not out of character with other properties in this zoning district.*

Positive finding

- (3) In the context presented, strict compliance with the land development regulation will not further any legitimate city objective, or the benefits that would be achieved under the other variance criteria by the granting of the variance outweigh the benefits under this criteria if the variance was denied;

Applicant response: *This variance request will not interfere in any city objectives, or benefits.*

Staff comments: *The requested variance to the land development code will not further any legitimate city objective.*

Positive finding

- (4) The granting of the variance is consistent with the city's comprehensive plan;

Applicant response: No response provided.

Staff comments: The variance request is consistent with the Comprehensive Plan goals, objectives and policies for single family residential.

Positive finding

- (5) The variance requested is the minimum variance that will make reasonable use of the land, building, or structure of the benefits that would be achieved under the other variance criteria by granting of the variance outweigh the benefits under this criteria if the variance was denied;

Applicant response: The granting of this variance will provide enormous relief from the sun, and provide necessary relief from the rain while enjoying outdoor activities.

Staff comments: The requested variance is not the minimum allowed for reasonable use of the land. The proposed encroachment into the rear yard setback may impede proper drainage and water runoff as required by the code.

Negative finding

STAFF RECOMMENDATION: Section 86-174 of the Land Development Code requires a positive finding on all Review Criteria and Findings requirements for granting a variance, staff has reviewed the application as presented and finds the application can meet a positive finding. Therefore, staff recommends denial of the variance request to the Land Development Code.

CITY OF CLERMONT VARIANCE APPLICATION

Answers to the following questions are required to complete this application.

City Zoning Ordinance (Land Development Code Section) from which you are requesting relief:

The variance request is from the 25 ft. rear setback zoning ordinance from our home. We are requesting a variance of 4 ft. into that.

What are you proposing to do that would require a variance and why?

We are proposing building an insulated roof pergola that will be attached to our existing lanai roof. This pergola would provide enormous relief from the hot sun, cover from the rain, and privacy from neighbors.

How does the Code create a hardship?

The 25 ft. setback only allows us 16 ft. before the lanai. We are requesting another 4 ft. for an insulated aluminum roofed pergola which will be attached to the lanai.

The following justifications must be completed for any variance requested:

Variance requested – subject and code section:

Sec. 86-174. Review criteria and findings.

When reviewing an application for a variance, the City Council shall not vary the requirements of any provision of this land development code unless it makes a positive finding, based on substantial competent evidence, on each of the following:

- (1) Granting the variance will not cause or allow interference with the reasonable enjoyment of adjacent or nearby property owners or negatively impact the standard of living of the citizens of the city;

No. The variance request will not affect the adjacent owners negatively. Our home has a rear 25 ft. easement behind our land before the next gated community begins. We then have the additional required rear 7.5 ft. setback before any structure can be built. No neighbors' standards of living will be negatively impacted on either side of our home. In addition we will be requesting a screen enclosure that will not go beyond the allowed boundaries.

- (2) The variance will allow a reasonable use of the property, which use is not out of character with other properties in the same zoning category;

Yes. This variance request will create an outdoor covered seating area for family activities, and enjoyment. The pergola will also provide cover from the heat and rain elements. This requested pergola will not be out of character with any other similar structure.

- (3) In the context presented, strict compliance with the land development regulation will not further any legitimate city objective, or the benefits that would be achieved under the other variance criteria by the granting of the variance outweigh the benefits under this criteria if the variance were denied;

This variance request will not interfere in any city objectives, or benefits.

N/A

(5) The variance requested is the minimum variance that will make reasonable use of the land, building, or structure or the benefits that would be achieved under the other variance criteria by the granting of the variance outweigh the benefits under this criteria if the variance was denied.

The granting of this variance will provide enormous relief from the sun, and provide necessary relief from the rain while enjoying outdoor activities.

ORDINANCE NO. 2022-011

PROPERTY REZONING:

**From: Lake County Agriculture
To: City of Clermont (PUD) Planned Unit Development**

SECTION 2: GENERAL CONDITIONS

This application for a Planned Unit Development is to allow for a 952 lot single-family residential subdivision with up to 198,634 square feet of center uses; be granted subject to the following conditions:

1. The conditions as set forth in this Planned Unit Development shall be legally binding upon any heirs, assigns and successors in title or interest.
2. The property shall be developed in substantial accordance with Attachment A: Chicone PUD Land Use Plan, prepared by VHB with a latest issue date of Sept 1, 2022. Formal construction plans incorporating all conditions stated in this permit shall be submitted for review and approved by the Site Review Committee prior to the issuance of a zoning clearance or other development permits.

CITY OF CLERMONT
ORDINANCE NO. 2022-011

3. No person, firm, corporation or entity shall erect, construct, enlarge, alter, repair, remove, improve, move, convert, or demolish any building or structure, or alter the land in any manner within the boundary of the project without first submitting necessary plans, obtaining necessary approvals, and obtaining necessary permits in accordance with the City of Clermont Land Development Regulations and those of other appropriate jurisdictional entities.
4. Fiber optic conduit and pull boxes may be required to be installed by the developer in the utility easements to extend the City's fiber optic network. The City's Information Technology Director will work with the developer at the time of site plan review to determine the extent of fiber optic conduit.

SECTION 3: LAND USES AND SPECIFIC CONDITIONS

This application for a Planned Unit Development to allow for single-family residential development and commercial uses be granted subject to the following conditions:

1. The project may be developed in multiple phases. The project shall be developed according to the Neighborhood District in the Comprehensive Plan and Wellness Way Community Guidelines and Standards, unless expressly stated within this PUD. Conflicts or omissions will be addressed according to Section 1.6 of the Wellness Way Community Guidelines and Standards.
2. The project will be constructed to the Wellness Way Neighborhood Standards contained in the City's Comprehensive Plan and Wellness Way Community Guidelines and Standards, as referenced in Section 122-295 of the Land Development Code, as may be amended from time to time. The project is based upon the Wellness Way Policy 2.3.2 that requires the following:

Total Property Area (TPA)		303.5 Acres
Open Space	30%	91.1 Acres
Center	5%	15.2 Acres
Residential	65%	197.3 Acres

CITY OF CLERMONT
ORDINANCE NO. 2022-011

3. The Residential Program will be developed according to the table below:

Wellness Way Area Program	711 dwelling units
Policy 2.9.1 Density Bonus (49.8 acres of donated ROW x 2 du/acre)	99 dwelling units
Policy 2.3.2 Density Bonus (711 du x 20% for Community Benefit)	142 dwelling units
Total Maximum Residential Units	952 dwelling units

4. Parcel 4 and Parcel 5, as indicated on Sheet C-6, Master Plan, shall have only four residential structures total.
5. The Developer shall enter into a Community Benefit agreement with the City in order to receive the Density Bonus considered under Policy 2.3.2. The Community Benefit agreement must be reviewed and approved by the City at the time of PUD approval by City Council.
6. The Center Program uses, according to Table 2.2.2 for the Neighborhood District in the Wellness Way Community Guidelines and Standards, will be developed according to the table below:

Center Acres	15.2 Acres
Floor Area Ratio	0.30
Total Maximum Center Program Uses	198,634 square feet

7. Open Space shall consist of 91.1 acres, in which 60.7 acres will be used for Wellness Space and the remaining 30.3 acres for Green Space. The Developer shall demonstrate compliance with Section 4 of the Wellness Way Community Guidelines and Standards at time of final site plan/platting approval.
8. An environmental assessment addressing habitat and species shall be submitted to the City during the construction plan approval stage of the overall development. Applicable permits for any gopher tortoises and associated burrow commensal species or other endangered species found on the property must be received from the appropriate regulatory agencies prior to the initiation of the development activity.

CITY OF CLERMONT
ORDINANCE NO. 2022-011

9. The project may have elevation changes over 10 feet of cut/fill on 18.7% or 56.66 acres of the site as indicated on Cut & Fill Analysis, Sheet C-10 of the Chicone PUD Land Use Plan. These changes will be submitted to the City Engineer at the time of final engineering.
10. The project may utilize street trees within the right-of-way along the frontage of a residential lot to count toward the minimum number of required trees on the lot and to allow such trees to be less than 6 feet from curbs and sidewalks as long as a minimum of 5 feet of clearance is provided between the tree and any public potable water, wastewater or reclaimed water main.
11. Development Standards: Development standards for the development of the residential dwelling units shall be based on the size of the lot, as indicated in the table below.

Residential Development Standards			
	Single Family Attached Dwelling Units (Townhomes)	Single Family Detached Dwelling Units

CITY OF CLERMONT
ORDINANCE NO. 2022-011

¹The maximum allowable ISR for the overall PUD development shall be 0.60. Individual lot ISR may exceed 0.60 as shown in the table above as long as overall maximum is not exceeded.

²The maximum height for recreational amenity buildings shall be 55 ft.

³ Detached garages shall be setback a minimum of 3 feet

⁴ Minimum side setback shall be 4 feet on lots less than 40 feet as allowed by the LDC.

12. The Center Program shall be developed according to Section 2.3 Site and Architectural Standards for Centers within the Wellness Way Community Guidelines and Standards.
13. The project may have gated private streets for vehicular access. Pedestrian and bicycle access shall be provided even if vehicular access is gated.
14. The project may have private dead-end streets of less than one-hundred and fifty (150) feet in length to terminate without a cul-de-sac.
15. The project may have twenty (20) foot wide one-way alleys with twelve (12) feet of payment as along as twenty (20) feet of unobstructed emergency access is maintained.
16. The project shall be developed in accordance with the City of Clermont Utility Standards.
17. The Developer shall update the Traffic Impact Study to include the CR 455 Extension in the regional model run to include the percentage of project trips on all segments within the Wellness Way Regional Roadway network. This shall be completed prior to final City Council approval of this PUD.
18. The Developer shall set aside and reserve the CR 455 right-of way and associated drainage for dedication to Lake County. The cross section shall be consistent with figure 3.2.2 (a) in Wellness Way Community Guidelines and Standards.
19. The Developer shall enter into a Proportionate Share Transportation Impact Fee Credit agreement or a road agreement (which may be in the form of a partial assignment of the existing Roadway Improvement Agreement for Wellness Way and Hancock Road Extension last executed March 23, 2021) with Lake County prior to the issuance of any construction including mass grading, infrastructure construction or building permit, subject to final approval by Lake County. The Agreement shall require the Developer to fund improvements for right-of-way, design, permitting, and construction of roadways, traffic signals, intersection improvements for Transportation impact fee credits based upon the following priorities:
 - i. Payment in escrow to Lake County for the acquisition of the four lane right-of-way from Conserv for Wellness Way;
 - ii. Design and permitting of Wellness Way from US 27 to the Orange County line as a four lane roadway;
 - iii. Construction of Wellness Way from Hancock Road to the Orange County line as the first two lanes of the ultimate four lane roadway;

CITY OF CLERMONT
ORDINANCE NO. 2022-011

- iv. Payment in escrow to Lake County for the acquisition of the four lane right-of-way from Conserv for Hancock Road;
 - v. Design and permitting of Hancock Road from Wellness Way to the northern boundary of the Conserv property as a four lane roadway;
 - vi. Construction of Hancock Road from Wellness Way to the entrance of the Fuqua project south of Hartwood Marsh Road as the first 2-lanes of the ultimate 4-lane roadway;
 - vii. Construction of the 3rd and 4th lanes of Wellness Way from US 27 to the Hancock/Schofield intersection;
 - viii. Or as stipulated in the Proportionate Share Agreement.
20. Street lighting shall be included for all Planned Unit Development internal roadways and along Wellness Way and CR 455 adjacent to the project. The Developer shall coordinate with the power utility provider for the installation and placement. The Developer shall be responsible for the cost of installation, operation, and maintenance. The lighting installed shall meet the Dark Sky standards.
21. School concurrency shall be met before final plat approval for the respective phase in accordance with the Comprehensive Plan and Land Development Code.
22. This Planned Unit Development shall expire if all development actions authorized or required hereunder are not taken within a period of two (2) years of the date that this Planned Unit Development is approved by the City Council and becomes legally effective. If the Planned Unit Development becomes null and void, a new application for a PUD shall be required in order to develop the property.

SECTION 4: PUBLIC SERVICES

- 1. The developer shall connect to the existing City potable water, sanitary sewer and reclaimed water (when available) systems at connection point or points approved by the City.
- 2. The route of any off-site lines shall be according to engineering plans produced by the developer and approved by the City.
- 3. Any proposed City-maintained utilities that are not located within a dedicated public right-of-way shall be placed in a utility easement dedicated to the City. Easements shall be provided at no expense to the City and in a form acceptable to the City.
- 4. The Developer shall be responsible for all costs of on-site improvements, including, but not limited to design, material, permitting, connection and installation of sufficient size lines, lift stations and other appurtenances necessary to allow the City to serve the property.
- 5. Any existing dedicated City of Clermont utilities must stay in service throughout construction. If the construction requires that the utilities be relocated or altered, the Developer shall prepare plans, permit the project and construct the modification at the Developer's expense.

CITY OF CLERMONT
ORDINANCE NO. 2022-011

6. No building permits shall be issued until water and sewer are provided to the site or until a bond or letter of credit, acceptable to the City, is in place to guarantee completion of off-site improvements. No Certificate of Occupancy shall be issued until water and sewer extensions have been completed and accepted by the City.
7. The City may require a looped system to provide reliability and redundancy to the property.
8. The project shall be plumbed for reuse water with purple piping to irrigate all uses.
9. All utilities shall be designed and installed as per the City's specifications or as amended and approved by City staff.
10. Drainage/Stormwater Management: The Developer shall submit drainage calculations and a stormwater management plan when filing for final engineering approval. A lawfully created Community Development District or other entity acceptable to the City, shall be responsible for maintenance of all private stormwater ponds and drainage systems and improvements. Unless otherwise provided in the approved plans or plat for the Project, or in a separate agreement approved by the City, all such improvements located on the private property, including, streets, roads and bike or pedestrian paths, shall be maintained by the Community Development District or other entity acceptable to the City.
11. 10 feet utility lateral line easements may be used in lieu of 15 feet in order to accommodate standard 10 feet building separation.
12. Lift station access may utilize 20 feet easement over access ways to connect to public dedicated road.
13. Bulkheads, walls, or non-turf vegetation slope stabilization may be used for stormwater retention side slopes.
14. To the extent that any water, sewer or reclaimed improvements provide capacity additional to that is required to serve the Project, the Developer reserves its rights, pursuant to Section 2-267 – Credits, of the City Code, to enter into an impact fee agreement with the City which shall provide for the establishment of credits and payment of impact fees in a specified manner and time. The terms and conditions of an impact fee agreement between the Developer and the City may replace or supersede the conditions contained in this Planned Unit Development.
15. To the extent that any off-site water, sewer or reclaimed improvements are required to serve the Project, the Developer reserves its rights, pursuant to Section 2-267 – Credits, of the City Code, to enter into an impact fee agreement with the City which shall provide for the establishment of credits and payment of impact fees in a specified manner and time. The terms and conditions of an impact fee agreement between the Developer and the City may replace or supersede the Environmental Service conditions contained in this Planned Unit Development.

CITY OF CLERMONT
ORDINANCE NO. 2022-011

16. The Developer shall enter into a proportionate share agreement for the provision of residential irrigation service with the City of Clermont in order to adequately serve the project. This agreement shall be completed prior to construction plan approval for the first phase of the project, which may include the Wellness Way Boulevard extension. If the Developer elects not to participate in the proportionate share agreement, the Developer shall permit, finance, construct, own, operate and maintain a pumping station and storage facility sufficiently sized to meet the irrigation requirements for the property.

SECTION 5: CONFLICT

All ordinances or parts of ordinances in conflict with any of the provisions of this Ordinance are hereby repealed.

SECTION 6: SEVERABILITY

Should any Section or part of this Section be declared invalid by any court of competent jurisdiction, such adjudications shall not apply to or affect any other provision of this Ordinance, except to the extent that the entire Section or part of the Section may be inseparable in meaning and effect from the Section to which such holding shall apply.

SECTION 7: ADMINISTRATIVE CORRECTION

This Ordinance may be re-numbered or re-lettered and the correction of typographical and/or scrivener's errors which do not affect the intent may be authorized by the City Manager or designee, without need of public hearing, by filing a corrected or re-codified copy of same with the City Clerk.

SECTION 8: RECORDING

This Ordinance shall be recorded in the Public Records of Lake County, Florida. Recording fees will be at the expense of the applicant.

SECTION 9: PUBLICATION AND EFFECTIVE DATE

This Ordinance shall be published as provided by law and it shall become law and shall take effect immediately upon its Second Reading and Final Passage.

Open Space

Open Space Required:	91 ac (30%)
Wellness Space	61 ac (20%)
Green Space	30 ac (10%)

- Open space is provided in two separate categories - Wellness Space and Green Space. Per Wellness Way Design Guidelines, the suitable Green Space area does not allow PUD to reach the required 10%, the remainder shall be designated as Wellness Space.
- Wellness Space shall include area for trails, open gathering places and active/passive recreation.
- Parks shall be designed consistent with the standards in Section 4.2 of the Wellness Way Area Plan (WWAP) Design Guidelines.
- The stormwater ponds shall meet the requirements under Section 4.2.5 (1) for dry bottom stormwater ponds. Stormwater ponds enhanced as amenities using native vegetation shall count towards Wellness Space.
- Open space tracts are placed in the interior of the PUD to promote public access.

Support Service

Potable Water	City of Clermont.
Central Sewer	City of Clermont.
Reclaimed Water	City of Clermont.
Stormwater Management:	
Retention/Detention:	Facilities will be designed to meet the water quality and water quantity criteria of the St. Johns River Water Management District.
Fire Protection:	Lake County Fire Rescue/City of Clermont Fire Department
Police Protection:	City of Clermont Police Department

Neighborhood Form & Structure

- Neighborhoods shall be pedestrian and bicycle friendly so that homes are generally within a ¼-mile of a Center or open space facility.
- The development will meet the intersection density of at least 80 intersections per square mile inclusive of pedestrian/bicycle crossings and street intersections. Detailed intersection analysis will be shown at PSP.
- The Future Development parcel shall act as the Center for the PUD.
- Permitted uses shall include those listed in Section 2.2 of the WWAP Design Guidelines.

General Notes

- Acreages shown are approximate and subject to change with final design and platting.
- Project Phasing: The project will be developed in multiple phases. Each phase shall have sufficient infrastructure to standalone.
- The applicant shall comply with all City of Clermont fire protection requirements.
- Buffers shall be provided consistent with Section 118-73 of the City of Clermont LDC. Interior landscape buffers between abutting property boundaries may have a shared ten (10) foot wide landscape buffer with a five (5) foot wide buffer on each lot to achieve a minimum ten (10) foot wide buffer.
- School concurrency shall be met prior to final plat approval in accordance with the Comprehensive Plan and LDC, as amended.
- Any residential development above 952 units shall process a PD amendment with the City.
- Parking shall be provided per the table of minimum parking space requirements in Section. 98-14 of the City's LDC.
- No block face should have more than two consecutive single-family homes with the same house model, façade and/or exterior materials of color.
- Front facing facades may not be dominated by the garage portion of the elevation.
- Front loaded garage lots must randomly alternate the location of driveways in relation to front façade to avoid repetition, unless utility layouts cause conflicts.

Proposed Uses

Residential:	Uses shall include but not limited to single-family detached, townhomes and apartments within the Center.
	In no event shall the overall program exceed 952 residential units.
Center:	Center permitted uses shall include those listed in Table 2.2.2 of the Wellness Way Standards.

Waiver Requests

- A waiver to Section 110-192(1) of the City Code is requested to allow private streets with gates for vehicular access. Pedestrian and bicycle access shall be provided.
- A waiver to Section 110-192(7) of the City Code is requested to allow private dead-end streets of less than one hundred fifty (150) feet in length to terminate without a cul-de-sac.
- A waiver to Section 110-195(b) of the City Code is requested to allow construction of twenty (20) foot wide one-way alleys with twelve (12) feet of pavement as long as twenty (20) feet of unobstructed emergency access is maintained.
- A waiver to Section 118-71(1) of the LDC is requested to allow street trees within the right-of-way along the frontage of a residential lot to count toward the minimum number of required trees on the lot and to allow such trees to be less than 6 feet from curbs and sidewalks as long as a minimum of 5 feet of clearance is provided between the tree and any public potable water, wastewater or reclaimed water main.
- A waiver to Section 94-195(b)(3) of the City Code is requested to allow for maximum depth of cut or fill for construction of any roadway to exceed fifteen (15) feet for the areas indicated on Sheet C-10, Cut & Fill Analysis.

PROPERTY REZONING

**Amend PUD Ordinance to allow development on parcels
7 through 13 (south side of project), as indicated in Section 3,
item 14 contained in Ordinance 2017-24**

SECTION 2: GENERAL CONDITIONS

This application for a Planned Unit Development is to allow for a multi-family residential Planned Unit Development along with C-2 General Commercial uses:

1. The conditions as set forth in this Planned Unit Development shall be legally binding upon any heirs, assigns and successors in title or interest and this Ordinance shall repeal and replace Ordinance 2017-14.
2. The property shall be developed in substantial accordance with the “Vue at Clermont PUD Concept Plan” prepared by Highland Engineering, Inc., dated 04-05-2022. Formal construction plans incorporating all conditions stated in this permit shall be submitted for review and approved by the Site Review Committee prior to the issuance of a zoning clearance or other development permits.
3. No person, firm, corporation or entity shall erect, construct, enlarge, alter, repair, remove, improve, move, convert, or demolish any building or structure, or alter the land in any manner within the boundary of the project without first submitting necessary plans, obtaining necessary approvals, and obtaining necessary permits in accordance with the City of Clermont Land Development Regulations and those of other appropriate jurisdictional entities.

4. Fiber optic conduit and pull boxes may be required to be installed by the developer in the utility easements to extend the City's fiber optic network. The City's Information Technology Director will work with the developer at the time of site plan review to determine the extent of fiber optic conduit.

SECTION 3: LAND USES AND SPECIFIC CONDITIONS:

1. The property adjacent to Highway 50, Lots 1-4 and 6-8 on the "Vue at Clermont PUD Concept Plan", will be permitted for C-2 General Commercial use. Lot 5 will consist of the multi-family use along Hooks Street and will consist of 24.13 acres at a density of 12 dwelling units/acre for a total of 289 dwelling units.
2. Phasing of Development: The project may be developed in one or more phases.
3. The project may have a maximum cut of up to 28 feet over 34% of the project area, as indicated on the PUD Concept Plan, Cut/Fill Plan. These changes will be submitted to the City Engineer at the time of final engineering.
4. The project may have a maximum fill of up to 19 feet over 4% of the project area, as indicated on the PUD Concept Plan, Cut/Fill Plan. These changes will be submitted to the City Engineer at the time of final engineering.
5. Setbacks for Multi-family and Commercial

From Highway 50	50 feet from the property line
From Hooks Street:	50 feet from the property line
Side:	12 feet from the property line
Rear:	25 feet from the property line
6. Maximum building height will be 55 feet, measured at the highest point for the multi-family portion.
7. Driveway access and parking for the C-2 General Commercial portion may be below the centerline of Highway 50 and will be subject to the approval of the City Engineer.
8. Retaining wall heights up to 10 feet in height are allowed to deal with the extreme grades on the site.
9. Parking space dimensions shall be allowed at a minimum 9 feet wide by 18 feet deep for 30 percent of parking requirements.
10. A reduced landscape buffer along Highway 50 is requested due to the presence of a large berm. The landscape buffer shall be a minimum of 10 feet in width and shall have the 30 percent more landscape required for Multi-family and C-2 uses.
11. Automotive dealerships and/or auto parts sales shall not be an allowed use within this Planned Unit Development without an amendment.

CITY OF CLERMONT
ORDINANCE NO. 2022-032

12. Cross-access easements with the adjoining eastern property owner from the existing Duke Energy curb cut along Highway 50 shall be provided subject to Duke Energy approval.
13. Required landscape buffering within the Duke Energy easement may be omitted with proper documentation from Duke Energy.
14. An environmental assessment addressing habitat and species shall be submitted to the City during the construction plan approval stage of the overall development. Applicable permits for any gopher tortoises and associated burrow commensal species or other endangered species found on the property must be received from the appropriate regulatory agencies prior to the initiation of the development activity.
15. The Developer shall be required to submit a tree inventory and proposed tree removal and replacement plan at the time of site plan submittal so that due consideration may be given for preservation and protection of trees during the site plan design process.
16. School concurrency shall be met before final site plan approval in accordance with the Comprehensive Plan and Land Development Code.
17. This Planned Unit Development shall expire if all development actions authorized or required hereunder are not taken within a period of two (2) years of the date that this Planned Unit Development is approved by the City Council and becomes legally effective. If the Planned Unit Development expires, the property will revert to the C-2 General Commercial Zoning Designation and the multi-family use on Lot 5 will be null and void.
18. Trash compacters may be substituted for dumpsters for the project if the Applicant can demonstrate it can sufficiently meet the waste demands for the project, subject to City Manager approval, or designee approval.
19. The buildings shall be designed in a manner that shall meet the City of Clermont's Architectural Standards and as represented in the provided elevations.
20. If required by the City of Clermont, Lake County or Florida Department of Transportation, as a result of the traffic impact analysis, the developer shall be responsible for any proportionate fair share improvements or payments. The proportionate fair share improvements or payments shall be completed prior to the first Certificate of Occupancy.
21. The Developer shall construct turn lanes at all access points on SR 50, with coordination from FDOT, as identified in the submitted Traffic Impact Study. Turn lanes may be warranted along Hooks Street and will be determined by Lake County at the time of site plan review and approval. The development shall comply with all applicable County and Florida Department of Transportation access management requirements. The final access points shall be determined during the final site plan and final engineering review and may change from the conceptual plan.

CITY OF CLERMONT
ORDINANCE NO. 2022-032

22. The proposed amenities shall be constructed in substantial accordance to Attachment A – Amenity Package. The amenities shall be open prior to the final certificate of occupancy of the last apartment building.
23. The project shall be developed according to C-2 General Commercial Zoning Designation in the Land Development Code, unless expressly stated above.
24. The property management office shall prominently display a notification sign informing potential tenants of the sounds resulting from activities by the adjacent schools, such as but not limited to; daytime PE classes, night games, bands playing, bus noise, etc. The sign shall be a minimum of 11 inches x 17 inches. In addition, as part of the rental contract, similar language shall also be included that the tenant acknowledges.

SECTION 4: CONFLICT

All ordinances or parts of ordinances in conflict with any of the provisions of this Ordinance are hereby repealed.

SECTION 5: SEVERABILITY

Should any Section or part of this Section be declared invalid by any court of competent jurisdiction, such adjudications shall not apply to or affect any other provision of this Ordinance, except to the extent that the entire Section or part of the Section may be inseparable in meaning and effect from the Section to which such holding shall apply.

SECTION 6: ADMINISTRATIVE CORRECTION

This Ordinance may be re-numbered or re-lettered and the correction of typographical and/or scrivener's errors which do not affect the intent may be authorized by the City Manager or designee, without need of public hearing, by filing a corrected or re-codified copy of same with the City Clerk.

SECTION 7: RECORDING

This Ordinance shall be recorded in the Public Records of Lake County, Florida at the expense of the Developer.

SECTION 8: PUBLICATION AND EFFECTIVE DATE

This Ordinance shall be published as provided by law and it shall become law and shall take effect immediately upon its Second Reading and Final Passage.

Ordinance No. 2022-034 <i>Intro</i> 111 Apartments Annexation		
Requested Action		
Recommend approval of Ordinance No. 2022-034.		
Staff Report		
This is a staff initiated request for approval of an annexation from Lake County Planned Unit Development to the City of Clermont Planned Unit Development (PUD) category. The City is requesting annexation of the subject property as authorized by the Utility Agreement with the property owner. The Notice of Encumbrance to annex was executed on September 24, 2019. The subject parcel is located north of State Road 50 and east of County Road 455 and is approximately 21.9 +/- Acres. Lake County has approved to allow for the development of a 296-unit multifamily apartment housing project on the site which is currently under construction. The City of Clermont has the capacity and will be providing water and sewer services for the development. The City will annex the property as approved by Lake County. The proposed High Density Residential Land Use designation allows up to the maximum of 12 units per acre, which is consistent with the intent of the Comprehensive Plan goals, objectives and policies. Staff recommends approval of the annexation with the provisions of Ordinance 2022-034.

Requested Action		
Recommend approval of Ordinance No. 2022-035.		
Staff Report		
This is a staff initiated request for approval of a small-scale comprehensive plan amendment to change the future land use from Lake County Urban High Density to Clermont High Density Residential designation. The City is requesting annexation of the subject property as authorized by the Utility Agreement with the property owner. The Notice of Encumbrance to annex was executed on September 24, 2019. The subject parcel is located north of State Road 50 and east of County Road 455 and is approximately 21.9 +/- Acres. Lake County has approved to allow for the development of a 296-unit multifamily apartment housing project on the site which is currently under construction. The City of Clermont has the capacity and will be providing water and sewer services for the development. The City will annex the property as approved by Lake County. The proposed High Density Residential Land Use designation allows up to the maximum of 12 units per acre, which is consistent with the intent of the Comprehensive Plan goals, objectives and policies. The property will also be rezoned from Lake County Planned Unit Development (PUD) to Clermont Planned Unit Development (PUD) zoning classification. Staff recommends approval of the Future Land Use change from Lake County Urban High Density to Clermont High Density Residential designation with Ordinance 2022-035.

Requested Action		
Recommend approval of Ordinance No. 2022-036.		
Staff Report		
This is a staff initiated request for approval of a rezoning from Lake County Planned Unit Development to the City of Clermont Planned Unit Development (PUD) category. The City is requesting annexation of the subject property as authorized by the Utility Agreement with the property owner. The Notice of Encumbrance to annex was executed on September 24, 2019. The subject parcel is located north of State Road 50 and east of County Road 455 and is approximately 21.9 +/- Acres. Lake County has approved to allow for the development of a 296-unit multifamily apartment housing project on the site which is currently under construction. The City of Clermont has the capacity and will be providing water and sewer services for the development. The City will annex the property as approved by Lake County. The proposed High Density Residential Land Use designation allows up to the maximum of 12 units per acre, which is consistent with the intent of the Comprehensive Plan goals, objectives and policies. The property will also be changing the Future Land Use Designation from Lake County Urban High Density to Clermont High Density Residential Land Use Category. Staff recommends approval of the rezoning with the provisions of Ordinance 2022-036.

CITY OF CLERMONT
ORDINANCE NO. 2022-037

AN ORDINANCE OF THE CODE OF ORDINANCES OF THE CITY COUNCIL OF THE CITY OF CLERMONT, LAKE COUNTY, FLORIDA, AMENDING THE LAND DEVELOPMENT CODE; CHAPTER 102 SIGNS; ADDING SECTIONS 102-26 “OTHER SIGNS”; PROVIDING FOR CONFLICT; SEVERABILITY; CODIFICATION; THE ADMINISTRATIVE CORRECTION OF SCRIVENERS ERRORS; RECORDING; PUBLICATION AND AN EFFECTIVE DATE.

WHEREAS, pursuant to the provisions of Chapter 163, Florida Statutes, the City of Clermont Planning and Zoning Commission, acting as the Local Planning Agency of the City, has held a public hearing on September 6, 2022 and following such hearing found this Ordinance to be in the best interest of the City of Clermont, and recommended that the City Council adopt this Ordinance; and

WHEREAS, the City Council of the City of Clermont shall amend the Land Development Code, Chapter 102-Signs, adding section 102-26 “Other Signs” to allow murals and artworks that reflects and enhances the City’s diversity, character and heritage through designs by artists for commercial development in the Central Business District; and

WHEREAS, the City of Clermont Code of Ordinances, Land Development Code, Chapter 102 “Signs”, purpose and intent is to ensure adequate means of communication through signage while maintaining attractive visual appearance within the City, and

NOW, THEREFORE, BE IT HEREBY ORDAINED by the City Council of the City of Clermont, that Chapter 102 “Signs” of the Clermont Code of Ordinances be amended to add Section 102-26 “Other Signs” as set forth in the following amendments shown in Section 2.

SECTION 1: AUTHORITY

The City Council of the City of Clermont has the authority to adopt this Ordinance pursuant to Article VIII of the Constitution of the State of Florida and Chapter 163 and 166, Florida Statutes.

SECTION 2.

The Land Development Code of the City of Clermont Code of Ordinances is hereby amended to read as follows:

Sec. 102-26. “Other Signs”

- (1) *Mural signs.* Artwork painted or affixed to building walls, facades or other exterior surfaces shall be limited to the sides and rear building façades on the first floor of any commercial buildings located in the Central Business District. The city council may approve larger murals as a variance to the land development codes, at a public hearing after notice to adjacent property owners. Mural art works are to be exclusively non-commercial in nature, and in no way identify a

CITY OF CLERMONT
ORDINANCE NO. 2022-037

product and deemed to provide artistic value and benefit to the surrounding area and not just of benefit to the building or business proposing the mural. Murals and works of art shall be permitted on the sides and rear of any commercial building walls and shall not be allowed on any front building facades and walls. The front building façade is determined as any façade facing a vehicular street right-of-way.

- (a) Works of art and murals shall be located in the Clermont Central Business District (CBD). Murals and artwork projects are prohibited for residential only buildings and uses.
- (b) The artwork should show sensitivity be family-oriented, appropriate for all ages, educational, display community values, provide creativity and quality workmanship, enrich history, and create a vision of what makes it unique. Artwork projects may not encompass any nudity, offensive languages or gestures, gang symbols, graffiti, political affiliations, drugs or alcohol symbols, violence, and no racial or hate messages within its content. The maximum amount of text within any mural shall be limited to five (5) percent.
- (c) Corporate logos and/or any commercial signage shall be prohibited for any art project or artwork design content. This article will not permit or allow any type of illegal sign, irrespective of artist content.
- (d) The property owner is required to obtain a permit for any artwork and/or mural art project display before the installation of any art display on any buildings. The artwork permit application must include an 11" x 17" sketch/graphic design of the proposed artwork for review and approval by the designated city staff. All proposed artwork must include the artwork display location on site and/or buildings. ~~The completed art work permit application shall require approval of the City Council.~~
- (e) All works of art must comply with any applicable Clermont Codes and Regulations that include any applicable building and fire code requirements for installation, creation, and construction on site. No art project can be placed on or located on any streets, sidewalks, dedicated easements; city owned property, rights-of-way, public access and must comply with any ADA requirements for the site.
- (f) Custody, supervision, maintenance and preservation of the murals and art works is the responsibility of the property owner. The property owner is required to maintain the mural and artwork in good condition at the approved location, failure to comply with this requirement as required by law or other applicable guidelines shall subject the property owner to code enforcement action including violations and fines, and the Clermont City Council may revoke the permit after a public hearing.

CITY OF CLERMONT
ORDINANCE NO. 2022-037

- (g) A hold-harmless release and identification waiver in a form acceptable to the City must be signed by the property owner that excludes, indemnifies and releases the City of Clermont of any liability for public art projects on private property.

SECTION 3: CONFLICT

All ordinances or parts of ordinances in conflict with any of the provisions of this Ordinance are hereby repealed.

SECTION 4: SEVERABILITY

If any portion of this Ordinance is declared invalid, the invalidated portion shall be severed from the remainder of the Ordinance, and the remainder of the Ordinance shall continue in full force and effect as if enacted without the invalidated portion, except in cases where such continued validity of the remainder would clearly and without doubt contradict or frustrate the intent of the Ordinance as a whole.

SECTION 5: CODIFICATION

The text of Section 2 of this Ordinance shall be codified as a part of the Clermont City Code. The codifier is authorized to make editorial changes not effecting the substance of this Ordinance by the substitution of "Article" for "Ordinance", "Section" for "Paragraph", or otherwise to take such editorial license.

SECTION 6: ADMINISTRATIVE CORRECTION OF SCRIVENERS ERROR

Regardless of whether such inclusion in the Code as described in Section 5 is accomplished, sections of the Ordinance may be re-numbered or re-lettered and the correction of typographical and/or scrivener's errors which do not affect the intent may be authorized by the City Manager or designee, without need of public hearing, by filing a corrected or re-codified copy of same with the City Clerk.

SECTION 7: RECORDING

This Ordinance shall be recorded in the Public Records of Lake County, Florida.

SECTION 8: PUBLICATION AND EFFECTIVE DATE

This Ordinance shall be published as provided by law and it shall become law and shall take effect immediately upon its Second Reading and Final Passage.

CITY OF CLERMONT
ORDINANCE NO. 2022-037

AN ORDINANCE OF THE CODE OF ORDINANCES OF THE CITY COUNCIL OF THE CITY OF CLERMONT, LAKE COUNTY, FLORIDA, AMENDING THE LAND DEVELOPMENT CODE; CHAPTER 102 SIGNS; ADDING SECTIONS 102-26 “OTHER SIGNS”; PROVIDING FOR CONFLICT; SEVERABILITY; CODIFICATION; THE ADMINISTRATIVE CORRECTION OF SCRIVENERS ERRORS; RECORDING; PUBLICATION AND AN EFFECTIVE DATE.

WHEREAS, pursuant to the provisions of Chapter 163, Florida Statutes, the City of Clermont Planning and Zoning Commission, acting as the Local Planning Agency of the City, has held a public hearing on September 6, 2022 and following such hearing found this Ordinance to be in the best interest of the City of Clermont, and recommended that the City Council adopt this Ordinance; and

WHEREAS, the City Council of the City of Clermont shall amend the Land Development Code, Chapter 102-Signs, adding section 102-26 “Other Signs” to allow murals and artworks that reflects and enhances the City’s diversity, character and heritage through designs by artists for commercial development in the Central Business District; and

WHEREAS, the City of Clermont Code of Ordinances, Land Development Code, Chapter 102 “Signs”, purpose and intent is to ensure adequate means of communication through signage while maintaining attractive visual appearance within the City, and

NOW, THEREFORE, BE IT HEREBY ORDAINED by the City Council of the City of Clermont, that Chapter 102 “Signs” of the Clermont Code of Ordinances be amended to add Section 102-26 “Other Signs” as set forth in the following amendments shown in Section 2.

SECTION 1: AUTHORITY

The City Council of the City of Clermont has the authority to adopt this Ordinance pursuant to Article VIII of the Constitution of the State of Florida and Chapter 163 and 166, Florida Statutes.

SECTION 2.

The Land Development Code of the City of Clermont Code of Ordinances is hereby amended to read as follows:

Sec. 102-26. “Other Signs”

- (1) *Mural signs.* Artwork painted or affixed to building walls, facades or other exterior surfaces shall be limited to the sides and rear building façades on the first floor of any commercial buildings located in the Central Business District. The city council may approve larger murals as a variance to the land development codes, at a public hearing after notice to adjacent property owners. Mural art works are to be exclusively non-commercial in nature, and in no way identify a

product and deemed to provide artistic value and benefit to the surrounding area and not just of benefit to the building or business proposing the mural. Murals and works of art shall be permitted on the sides and rear of any commercial building walls and shall not be allowed on any front building facades and walls. The front building façade is determined as any façade facing a vehicular street right-of-way.

- (a) Works of art and murals shall be located in the Clermont Central Business District (CBD). Murals and artwork projects are prohibited for residential only buildings and uses.
- (b) The artwork should show sensitivity be family-oriented, appropriate for all ages, educational, display community values, provide creativity and quality workmanship, enrich history, and create a vision of what makes it unique. Artwork projects may not encompass any nudity, offensive languages or gestures, gang symbols, graffiti, political affiliations, drugs or alcohol symbols, violence, and no racial or hate messages within its content. The maximum amount of text within any mural shall be limited to five (5) percent.
- (c) Corporate logos and/or any commercial signage shall be prohibited for any art project or artwork design content. This article will not permit or allow any type of illegal sign, irrespective of artist content.
- (d) The property owner is required to obtain a permit for any artwork and/or mural art project display before the installation of any art display on any buildings. The artwork permit application must include an 11" x 17" sketch/graphic design of the proposed artwork for review and approval by the designated city staff. All proposed artwork must include the artwork display location on site and/or buildings.
- (e) All works of art must comply with any applicable Clermont Codes and Regulations that include any applicable building and fire code requirements for installation, creation, and construction on site. No art project can be placed on or located on any streets, sidewalks, dedicated easements; city owned property, rights-of-way, public access and must comply with any ADA requirements for the site.
- (f) Custody, supervision, maintenance and preservation of the murals and art works is the responsibility of the property owner. The property owner is required to maintain the mural and artwork in good condition at the approved location, failure to comply with this requirement as required by law or other applicable guidelines shall subject the property owner to code enforcement action including violations and fines, and the Clermont City Council may revoke the permit after a public hearing.

CITY OF CLERMONT
ORDINANCE NO. 2022-037

- (g) A hold-harmless release and identification waiver in a form acceptable to the City must be signed by the property owner that excludes, indemnifies and releases the City of Clermont of any liability for public art projects on private property.

SECTION 3: CONFLICT

All ordinances or parts of ordinances in conflict with any of the provisions of this Ordinance are hereby repealed.

SECTION 4: SEVERABILITY

If any portion of this Ordinance is declared invalid, the invalidated portion shall be severed from the remainder of the Ordinance, and the remainder of the Ordinance shall continue in full force and effect as if enacted without the invalidated portion, except in cases where such continued validity of the remainder would clearly and without doubt contradict or frustrate the intent of the Ordinance as a whole.

SECTION 5: CODIFICATION

The text of Section 2 of this Ordinance shall be codified as a part of the Clermont City Code. The codifier is authorized to make editorial changes not effecting the substance of this Ordinance by the substitution of "Article" for "Ordinance", "Section" for "Paragraph", or otherwise to take such editorial license.

SECTION 6: ADMINISTRATIVE CORRECTION OF SCRIVENERS ERROR

Regardless of whether such inclusion in the Code as described in Section 5 is accomplished, sections of the Ordinance may be re-numbered or re-lettered and the correction of typographical and/or scrivener's errors which do not affect the intent may be authorized by the City Manager or designee, without need of public hearing, by filing a corrected or re-codified copy of same with the City Clerk.

SECTION 7: RECORDING

This Ordinance shall be recorded in the Public Records of Lake County, Florida.

SECTION 8: PUBLICATION AND EFFECTIVE DATE

This Ordinance shall be published as provided by law and it shall become law and shall take effect immediately upon its Second Reading and Final Passage.

CITY OF CLERMONT
ORDINANCE NO. 2022-037

Ordinance No. 2022-039 <i>Intro</i> <i>Lakeview Preserve Annexation</i>		
Requested Action		
Recommend approval of Ordinance No. 2022-039.		
Staff Report		
This is a staff initiated request for approval of an annexation from Lake County Wellness Way North to Clermont Low Density Residential designation. The City is requesting annexation of the subject property as authorized by the Utility Agreement with the property owner. The Notice of Encumbrance to annex was executed on March 9, 2021. The subject parcel is located north of Hartwood Marsh Road and East of the Clermont Boundaries and is approximately 40.04 +/- Acres. Lake County has approved to allow for the development of 78 single family residential homes on the site which is currently under construction. The City of Clermont has the capacity and will be providing water and sewer services for the development. The City will annex the property as approved by Lake County. The proposed Low Density Residential Land Use designation allows up to the maximum of three (3) units per acre, which is consistent with the intent of the Comprehensive Plan goals, objectives and policies. The property will also be rezoned from Lake County Planned Unit Development (PUD) to Clermont Planned Unit Development (PUD) zoning classification. Staff recommends approval of the annexation with Ordinance 2022-039.

ORDINANCE NO. 2022-042

PROPERTY REZONING

To amend PUD Ordinance 2021-015 to expand and amend the previously approved site plan, which includes additional acreage and additional apartment units.

SECTION 2: GENERAL CONDITIONS

This application for a Planned Unit Development is to allow for a multi-family residential Planned Unit Development; be granted subject to the following conditions:

1. The conditions as set forth in this Planned Unit Development shall be legally binding upon any heirs, assigns and successors in title or interest.
2. The property shall be developed in substantial accordance with Exhibit A, Clermont Hills Apartments, LLC Conceptual Site Plan, prepared by VHB with a latest issue date of August 24, 2022. Formal construction plans incorporating all conditions stated in this permit shall be submitted for review and approved by the Site Review Committee prior to the issuance of a zoning clearance or other development permits.
3. No person, firm, corporation or entity shall erect, construct, enlarge, alter, repair, remove, improve, move, convert, or demolish any building or structure, or alter the land in any manner within the boundary of the project without first submitting necessary plans, obtaining necessary approvals, and obtaining necessary permits in accordance with the City of Clermont Land Development Regulations and those of other appropriate jurisdictional entities.
4. Fiber optic conduit and pull boxes may be required to be installed by the developer in the utility easements to extend the City's fiber optic network. The City's Information Technology Director will work with the developer at the time of site plan review to determine the extent of fiber optic conduit.

SECTION 3: LAND USES AND SPECIFIC CONDITIONS

1. A total of up to 312 multi-family dwelling units (d.u.) may be permitted on the site, not to exceed a base density of 12 dwelling units/acre.
2. Building setbacks shall be 25 feet from the property lines.
3. Maximum building height shall be up to 55 feet, measured at the highest point.
4. The project may have elevation changes of up to 13 feet maximum cut and 13 feet maximum fill up to 10% of the project site, as shown on the cut and fill Exhibit B – Grading Plan Variance prepared by HALFF, dated October 2020. These elevation changes will be submitted to the City Engineer at the time of final engineering.

CITY OF CLERMONT
ORDINANCE NO. 2022-042

5. Individual retaining wall height up to 6 feet in height are permitted to deal with grade changes on the perimeter of the project and in the stormwater pond. A minimum 5-foot transition shall be required between the walls with landscaping incorporated within the terracing of the exterior perimeter wall sections.
6. Trash compacters may be substituted for dumpsters for the project if the Applicant can demonstrate it can sufficiently meet the waste demands for the project.
7. The project will be gated and the internal streets will be privately owned and maintained by the HOA, owner, or developer.
8. The buildings shall be constructed in a manner that closely resembles the architectural style and elevations as presented at the end of this ordinance, Exhibit C, and shall meet the City of Clermont's Architectural Standards.
9. If required by Lake County, the developer shall participate in proportionate share mitigation for improvements to two segments that are over capacity – SR 50 from Hancock Road to CR 455 and Hancock Road from Hooks Street to Johns Lake Road. This will be coordinated with Lake County at the time improvements are considered.
10. The development shall comply with all applicable County and Florida Department of Transportation access management requirements. The primary full access connection to the Project shall be off Hooks Street and an exclusive ingress left-turn lane shall be constructed. A secured emergency access point shall be off of Excalibur Road and will only be used by emergency personnel in emergency situations.
11. Additional right-of-way may be required for offsite improvements and the sidewalk. This dedication shall be made at no cost to the County or the City.
12. The Developer shall install sidewalks along Excalibur Road prior to first Certificate of Occupancy.
13. The project shall be developed according to the C-2 General Commercial zoning designation in the Land Development Code, unless expressly stated in this PUD.
14. School concurrency shall be met before final site plan approval in accordance with the Comprehensive Plan and Land Development Code.

CITY OF CLERMONT
ORDINANCE NO. 2022-042

15. All leases for units in the project shall be for a minimum of one year and all tenants shall sign the attached Short-Term Subletting or Rental Addendum. Prior to leasing to any apartment, all proposed tenants shall undergo criminal background checks. Developer/Owner agrees to follow the protocol below in rejecting any tenants for reasons that appear in a criminal background check:
 - a. Criminal – Exclude all Non-Convictions (i.e. Dismissed or Nolle Prosequere)
 - b. Federal, Felony, & Sex Offender will Fail for all years
