CLERMONT CITY HALL  
COUNCIL WORKSHOP AGENDA  
4:00 PM, Tuesday, July 9, 2024**

City Council Workshop meetings are for information gathering and discussion purposes. The City Council will not vote on any issues at Workshop meetings. The Council reserves the right to discuss additional items or delete items from the tentative agenda.

Closed Litigation Session

Review of Fiscal Year 2023-2024 and Proposed Fiscal Year 2024-2025 Budget Discussion

Other

**Adjourn**

**Public Notice**

In accordance with the Americans with Disabilities Act of 1990, persons needing special accommodations to participate in this proceeding may contact the Office of the City Clerk at (352) 241-7331 (Voice) no later than two (2) business days prior to the proceeding or by contacting the City Clerk's Office at [cityclerk@clermontfl.org](mailto:cityclerk@clermontfl.org). TTY users may call via 711 (Florida Relay Service) no later than two (2) business days prior to the proceeding.

Please be advised that if you intend to show any document, picture, video or items to the Council or Board in support or opposition to any item on the agenda; a copy of the document, picture, video or item must be provided to the City Clerk for the City's records.

July 5, 2024

Memo To: Mayor and City Council  
From: Brian M. Bulthuis  
Subject: FY 24/25 Budget Assumptions

The FY 24/25 year budget is being presented to the Mayor and Council with the following assumptions.

The Millage Rate is proposed to remain unchanged at 5.06 mills. This remains one of the lowest millage rates in the County for full service cities. In addition, Clermont does not assess a fire fee as the County and most other cities do, nor do we contract out our police or fire services.

Eustis	7.5810	
Astatula	7.5	Lake County Fire Millage .5138
Howey in the Hills	7.5	Lake County Fire Millage .5138
Tavares	6.695	
Mount Dora	5.9603	Mount Dora Fire Assessment \$209
Minneola	5.7	Minneola Fire Assessment \$59 - No Police Department
Groveland	5.5	Groveland Fire Assessment \$215
Clermont	5.06	
Mascotte	5.0	Lake County Fire Millage .5138
Leesburg	3.4752	Leesburg Fire Assessment \$165
Montverde	2.83	Lake County Fire Millage .5138 – No Police Department

General Fund Revenues are projected at \$55,019,439

General Fund Expenses are projected at \$55,464,197

Staff is recommending the use of \$444,758 in General Fund Unreserved Fund Balance. Staff has included the capital purchase of a replacement Fire Engine. This will replace Engine 103 which is at Station 3. The estimated cost of this engine is approximately \$1 million. If we order in early October, projected delivery is 3 years. If Council chooses not to make this purchase, revenues would exceed expenses by \$555,242.

Budgeted pay adjustments for nonunion employees is 4% in April of 2025. The City is currently in negotiations with both the Police and Fire Unions. The current contracts expire Sept. 30, 2024. Both unions are requesting pay adjustments well above 5%. When the City comes to an agreement with the unions, it will affect the budgeted amount in salaries and benefits for those two departments.

A \$900,000 expense for principal and interest is also included. Staff anticipates the city will begin construction of a new Fire Station #2. The city will obtain a 15 year loan for \$11 to \$12 million dollars, the estimated cost of the new station. The funds cannot come from impact fees as this is a replacement station not a new station.

Health insurance costs are budgeted to increase approximately 10%. Health insurance costs run from January through December. The city will not get specific costs for next year until September/October.

City liability insurance is budgeted to increase about 7%.

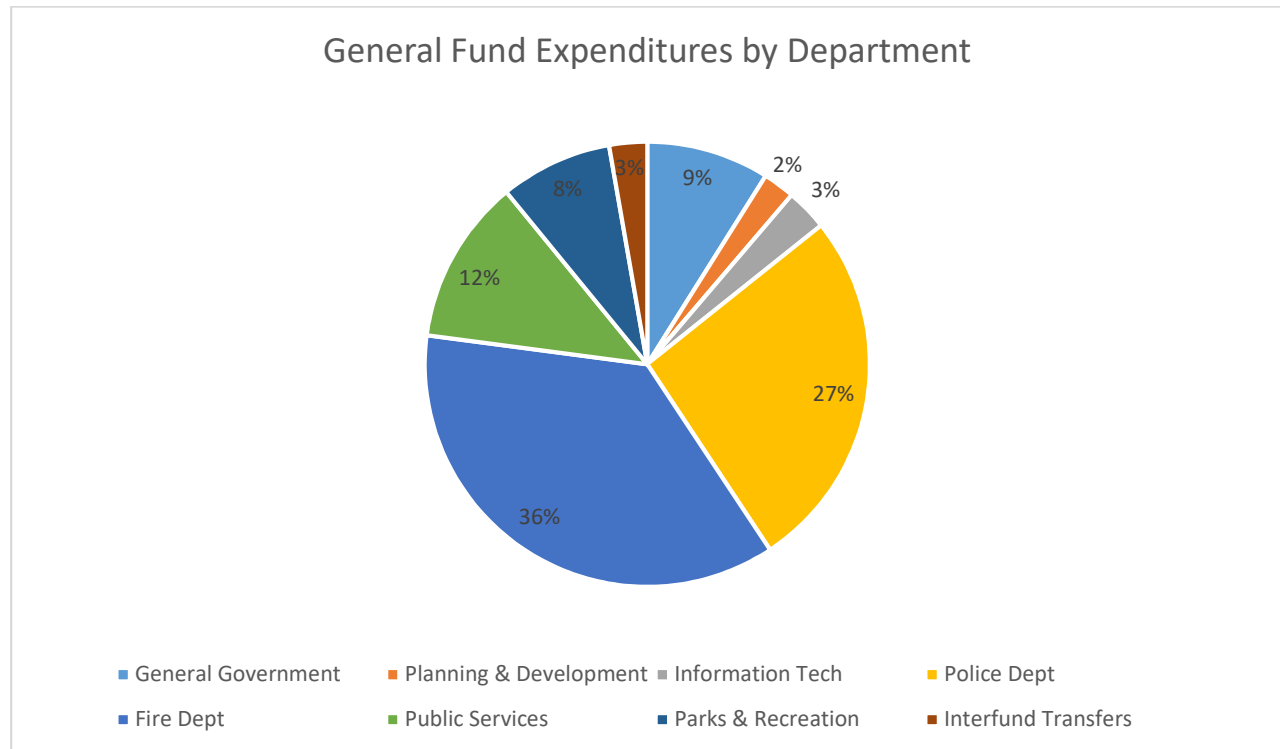

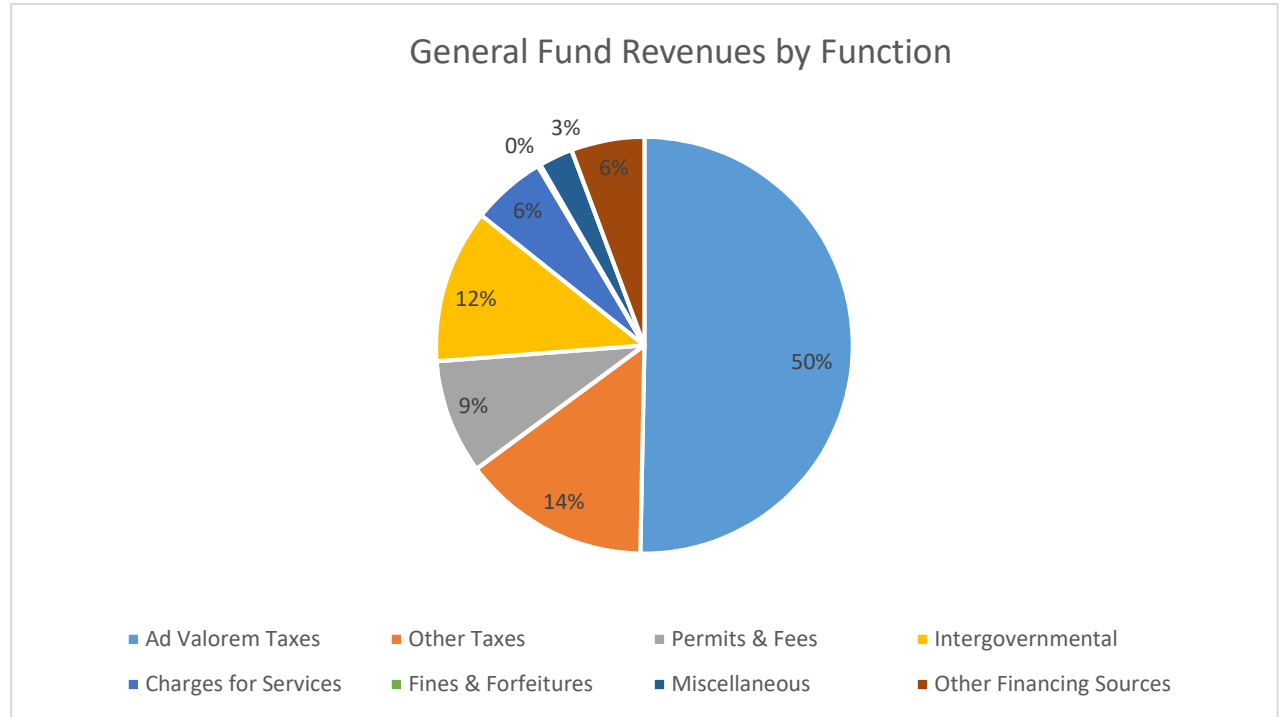

New positions are budgeted for:

City Clerk’s Office – Records

Police Department – 5 Officers, 1 Crime Analyst

Fire Department – Division Chief over Training, Fire Inspector, Receptionist

Public Services – Facilities Maintenance Crew Leader

Each department has specific requests for equipment and programs. At the work sessions each department will give an overview of their specific needs. In addition, the funds that have restricted uses such as impact fees, health insurance, and CRA will be discussed for general direction.

During the work sessions, staff intends to get long term direction on the Infrastructure Fund. Staff is proposing to slowly move more expenses out of that fund and into the General Fund, in order to utilize these funds for infrastructure projects such as road repairs. Staff has proposed to increase road resurfacing for FY 24/25 to \$2,000,000, up from \$1,000,000 in FY 23/24.

Water Fund: revenues \$14,435,640, expenses \$15,906,237 – (As part of the county’s road widening project, there is a planned use of fund balance in this account of \$1,800,000. This is to cover capital expenses associated with the relocation of lines on Hartwood Marsh).

Sewer Fund: revenues \$15,438,150, expenses \$15,131,103. (Note, water & sewer rates automatically adjust in October per the rate plan approved by City Council in 2023).

Sanitation Fund: revenues \$5,587,000, expenses \$5,522,600. No rate adjustment is anticipated in FY 24/25.

Stormwater Fund: revenues \$2,196,000, expenses of \$2,168,349.

Staff has also updated and has proposed amendments for FY 23/24.

General Fund Revenues	\$49,154,992
General Fund Expenditures	\$49,319,490

This is a use of unreserved fund balance of \$164,498. Staff is recommending that before the end of the fiscal year, the city add the purchase of a new fire tower truck in the amount of \$2 million. This will replace tower truck 103 at station #3. Delivery time for this tower truck is 3 years. The city has not had a replacement plan or dedicated funding plan for replacement of fire equipment. Due to the time requirements of ordering and delivering equipment, the upcoming needs of the fire department to make large equipment purchases and FY 23/24 is coming in better than projected, staff recommends that that the city move forward with this purchase in FY 23/24.
